H.R. NO. 22 \

HOUSE RESOLUTION

URGING HAWAII'S CONGRESSIONAL DELEGATION TO SEEK CLARIFICATION FROM THE UNITED STATES SECRETARY OF TRANSPORTATION REGARDING THE USE OF AIRPORT REVENUES TO PAY FOR THE OPERATIONAL COSTS OF STATE AGRICULTURAL INSPECTIONS OF INCOMING AIR CARGO AT STATE AIRPORTS.

WHEREAS, the State of Hawaii is recognized as a unique 1 2 place that creates an experience like no other; and 3 WHEREAS, Hawaii tourism depends on Hawaii's unique 4 5 environment; and 6 WHEREAS, introduced or non-native species have, and will 7 8 continue to have, devastating impacts on Hawaii's agriculture, 9 natural environment, economy, public health, and quality-of-10 life; and 11 WHEREAS, air transportation is a proven pathway by which 12 invasive species are transported to and become established in 13 new environments; and 14 15 WHEREAS, various illegal plants and animals, high 16 quantities of non-native pests, and a great variety of invasive 17 pests are also transported by air transportation; and 18 19 20 WHEREAS, in a letter dated July 31, 1998, Barry L. Molar, 21 then Manager of the Airport Compliance Division of the Federal Aviation Administration in Washington D.C., stated that 22 "[i]nfrastructure and support needed to adequately inspect 23 arriving aircraft, cargo and passengers can be 100% payable with 24 airport revenue provided these facilities are used exclusively 25 by airport inspectors for airport facilities"; and 26 27 WHEREAS, Mr. Molar further stated that "[n]on-federal 28 29 inspectors who work exclusively at the airport can be supported with airport revenue"; and 30 31

H.R. NO. 22/

2

WHEREAS, airport revenues are currently used at Kahului 1 2 Airport to pay for inspectors, operations, environmental studies, and inspection facilities; and 3 4 5 WHEREAS, the Manager of the Airports District Office for 6 the Federal Aviation Administration's Western-Pacific Region stated in a letter dated February 14, 2007, that "the use of 7 airport revenue to fund inspectors would represent a prohibited 8 use of airport revenue under Title 49 U.S.C. Sections 47107(b) 9 10 and 47133"; and 11 WHEREAS, these conflicting interpretations have led to a 12 situation where the Alien Species Action Plan for Kahului 13 Airport recommends that there should be fourteen agriculture 14 15 inspectors at Kahului airport, as compared to seven agriculture inspectors scheduled daily for Honolulu International Airport; 16 17 and 18 19 WHEREAS, the volume of air cargo imported annually into the State of Hawaii through Honolulu International Airport is 20 21 approximately four hundred thousand tons, as compared to thirtyfive thousand tons at Kahului Airport; and 22 23 WHEREAS, on September 30, 2009, the Federal Aviation 24 Administration issued Order 5190.6B, advising that permitted 25 26 uses of airport revenue include expenses to promote public and industry awareness of the airport's facilities and services 27 "such as a Super Bowl hospitality tent for corporate aircraft at 28 a sponsor-owned general aircraft terminal"; and 29 30 31 WHEREAS, Order 5190.6B also states that permitted uses of airport revenue may include community activities; provided that 32 the activities are directly and substantially related to the 33 operation of the airport, "[f]or example, it may purchase 34 tickets for an annual community luncheon at which the airport 35 director delivers a speech reviewing the state of the airport. 36 37 The airport may also contribute to a golf tournament sponsored by a 'friends of the airport' committee"; and 38 39 40 WHEREAS, Order 5190.6B further states that "[a]n airport 41 may use its revenue to support a community's use of airport 42 property if the expenditures are directly and substantially related to the operation of the airport"; and 43 44
