18 disaster or of an unanticipated major computer system failure.

19 (h) Any interest that accrues in a sum of at least \$2 on a  
20 delayed clean claim in this section shall be automatically added

10 effective when filed: any special filing with respect to any  
11 class of health insurance, subdivision, or combination thereof

14 ~~[(l)]~~ (n) For managed care plans having annual premium  
15 revenues of less than \$10,000,000, the commissioner may adopt  
16 rules and procedures that will provide the commissioner with  
17 sufficient facts necessary to determine the reasonableness of  
18 the proposed rates without unduly burdening the managed care  
19 plan and its enrollees; provided that the rates meet the

6 the commissioner for approval descriptions of the methodology to  
7 be used in creating rates and every modification thereof that it  
8 proposes to use. The description of methodology shall contain  
9 specific information allowing a determination of rates that meet  
10 the standards of section 431:14G-103(a) and supporting  
11 information and justification. Every filing shall state its  
12 proposed effective date and shall indicate the character and
