S.B. NO. 2905

A BILL FOR AN ACT

RELATING TO INFORMATION TECHNOLOGY SYSTEMS WITHIN THE DEPARTMENT
OF EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that technology is a key
2 element to improving efficiency in almost any operation and that
3 the management of human resources at the department of education
4 is one such operation. The purpose of this Act is to
5 appropriate funds for an improved information technology system
6 to help the department of education automate some of its human
7 resource management processes.

8 SECTION 2. There is appropriated out of the general
9 revenues of the State of Hawaii the sum of \$750,000 or so much
10 thereof as may be necessary for fiscal year 2010-2011 for the
11 acquisition and development of information technology systems to
12 redesign human resource management within the department of
13 education.

14 The sum appropriated shall be expended by the department of
15 education for the purposes of this Act.
