SENATE RESOLUTION

ENCOURAGING THE STATE OF HAWAII TO CONDUCT CULTURAL,
EDUCATIONAL, AND SPORTS EXCHANGES WITH THE DEMOCRATIC
PEOPLE'S REPUBLIC OF KOREA.

1 WHEREAS, cultural, educational, and sports exchanges
2 provide rich opportunities for citizens of different countries
3 to learn from each other, learn about each other's country, and
4 be introduced to different ways of life; and
5

6 WHEREAS, these exchanges also allow each participating
7 country to showcase the talent, cultivation and training
8 methods, and performance styles particular to that nation, and
9 for those individuals to meet and interact with their colleagues
10 abroad; and
11

12 WHEREAS, these types of exchanges are often helpful in
13 promoting understanding and a foundation for fostering
14 relationships both for the individuals involved and those who
15 formulate and implement diplomatic policy; and
16

17 WHEREAS, viewers and participants of cultural, educational,
18 and sports exchanges gain an appreciation of the other country's
19 positive attributes through the experience and enjoyment of
20 these events, which also contributes to positive relationships
21 and foreign relations; and
22

23 WHEREAS, in its earlier, unified condition, Korea was known
24 as the "Land of the Morning Calm," and its citizens viewed
25 themselves as people who love peace and nature; and
26

27 WHEREAS, the United States first formal treaty with Korea
28 was the Treaty of Amity and Commerce in May 1882, which
29 permitted Korean immigration to America; and
30

31 WHEREAS, Hawaii was the first port of entry for immigrants
32 from Korea to the United States, with the small, initial group
33 arriving in 1902, and later with the first large wave of
34 immigration on January 13, 1903, when fifty-six men, twenty-one
35 women, and twenty-five children arrived; and

1
2 WHEREAS, Korean emigrants and their descendants in Hawaii
3 have played a significant role in the development of our islands
4 cultural diversity; and
5

6 WHEREAS, in July 2002, the Democratic People's Republic of
7 Korea, hereinafter referred to as "North Korea", began
8 experimenting with private capitalism; and
9

10 WHEREAS, since 2002, North Korea has allowed foreign
11 investment, and permitted the Swiss government to establish the
12 Pyongyang Business School to help teach business management to
13 students; and
14

15 WHEREAS, the proposed exchanges may be conducive to North
16 Korea rethinking its isolationist policy, which severely
17 restricts international trade; and
18

19 WHEREAS, as South Korea is a crucial market for
20 agricultural products from the state of Washington, representing
21 more than \$300,000,000 annually, North Korea and Hawaii may
22 potentially benefit from instituting trade relations as well;
23 and
24

25 WHEREAS, on June 15, 2000, both North and South Korea
26 signed the North-South Joint Declaration, in which each promised
27 to seek out a peaceful reunification; and
28

29 WHEREAS, on October 4, 2007, the leaders of both North and
30 South Korea pledged to hold summit talks to reaffirm their
31 commitment to mutual non-aggression and officially declare their
32 war over; and
33

34 WHEREAS, the highest level American contact was the visit
35 made by United States Secretary of State Madeleine Albright in
36 2000; and
37

38 WHEREAS, in February 2009, the New York Philharmonic
39 Orchestra became the first American musical group ever to
40 perform in North Korea; now, therefore,
41

42 BE IT RESOLVED by the Senate of the Twenty-fifth
43 Legislature of the State of Hawaii, Regular Session of 2010,
44 that the United States of America and the State of Hawaii are

1 encouraged to explore conducting cultural, educational, and
 2 sports exchanges with North Korea, including collaboration with
 3 local cultural, educational, and sports institutions, agencies,
 4 and organizations, including organizations whose participation
 5 is vital for the implementation of successful exchanges; and
 6

7 BE IT FURTHER RESOLVED that the United States of America
 8 and the State of Hawaii collaborate with the University of
 9 Hawaii, Spark M. Matsunaga Institute for Peace and Conflict
 10 Resolution, East-West Center, State Foundation on Culture and
 11 the Arts, and other interested stakeholders, to conduct these
 12 cultural, educational, and sports exchanges between the State of
 13 Hawaii and North Korea; and
 14

15 BE IT FURTHER RESOLVED that certified copies of this
 16 Resolution be transmitted to the President of the United States;
 17 the Secretary of State; the United States Department of State;
