RE: H.B. No. 1431 H.D. 1

Honorable Calvin K.Y. Say Speaker, House of Representatives Twenty-Fifth State Legislature Regular Session of 2009 State of Hawaii

Sir:

Your Committee on Education, to which was referred H.B. No. 1431 entitled:

"A BILL FOR AN ACT RELATING TO EDUCATION,"

begs leave to report as follows:

The purpose of this bill is to more effectively implement a method of financing in part, new or the expansion of existing Department of Education (DOE) educational facilities in partnership with developers of new residential development by clarifying and better organizing the statutory provisions for school impact fees.

DOE testified in support of this bill. The Chamber of Commerce of Hawaii, Hawaii Developers' Council, and Building Industry Association of Hawaii opposed this measure.

Your Committee has amended this bill by including in the school impact fee provisions, schools that serve students in the school impact district but are not necessarily physically located within the boundaries of the school impact district.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1431, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1431, H.D. 1, and be referred to the Committee on Water, Land, & Ocean Resources.
