RE: H.B. No. 2236

Honorable Calvin K.Y. Say Speaker, House of Representatives Twenty-Fifth State Legislature Regular Session of 2010 State of Hawaii

Sir:

Your Committee on Energy & Environmental Protection, to which was referred H.B. No. 2236 entitled:

"A BILL FOR AN ACT RELATING TO ENERGY,"

begs leave to report as follows:

The purpose of this bill is to ensure that agencies that perform energy efficiency retrofitting will continue to receive budget appropriations at amounts that do not fall below the pre-retrofitting energy budget.

The Blue Planet Foundation supported this bill. The Department of Budget and Finance opposed this measure. Noresco provided comments.

As affirmed by the record of votes of the members of your Committee on Energy & Environmental Protection that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 2236 and recommends that it pass Second Reading and be referred to the Committee on Finance.

STAND. COM. REP. NO. 6 -10 Page 2

Respectfully submitted on behalf of the members of the Committee on Energy & Environmental Protection,

HERMINA MORITA, Chair

## State of Hawaii House of Representatives The Twenty-fifth Legislature
