Honolulu, Hawaii

Feyy, 2010

RE: H.B. No. 2829

Honorable Calvin K.Y. Say Speaker, House of Representatives Twenty-Fifth State Legislature Regular Session of 2010 State of Hawaii

Sir:

Your Committee on Health, to which was referred H.B. No. 2829 entitled:

"A BILL FOR AN ACT RELATING TO HEALTH,"

begs leave to report as follows:

The purpose of this bill is to ensure the safety of people receiving care in health care facilities by requiring hospitals to report infection rates and to establish procedures for collecting information on the number of infections developed within an individual facility and disclosing it to the public.

The Consumers Union testified in support of this bill. Hawaii Medical Service Association supported the intent of this measure. The Department of Health and Healthcare Association of Hawaii opposed this bill.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 2829 and recommends that it pass Second Reading and be referred to the Committee on Judiciary.

STAND. COM. REP. NO. 43 -10 Page 2

Respectfully submitted on behalf of the members of the Committee on Health,

RYAN I. YAMANE, Chair
