

Honolulu, Hawaii

FEB 17 2009

RE: S.B. No. 1280
S.D. 1

Honorable Colleen Hanabusa
President of the Senate
Twenty-Fifth State Legislature
Regular Session of 2009
State of Hawaii

Madam:

Your Committees on Higher Education and Energy and
Environment, to which was referred S.B. No. 1280 entitled:

"A BILL FOR AN ACT MAKING AN APPROPRIATION FOR THE UNIVERSITY
OF HAWAII,"

beg leave to report as follows:

The purpose of this measure is to appropriate funds to the
University of Hawai'i for a study relating to beach erosion at
Kailua beach.

Comments on this measure were submitted by the University of
Hawai'i at Manoa Environmental Center, University of Hawai'i Sea
Grant Extension Service, Sierra Club Hawai'i Chapter, and one
individual.

Your Committees find that there is an existing planning
effort being conducted by the University of Hawai'i Sea Grant
College Program for Kailua Beach, which is funded by the
Department of Land and Natural Resources. The Kailua Beach and
Dune Management Plan is designed to produce place-based beach and
dune management recommendations for ensuring conservation of
Kailua Beach during the twenty-first century. The planning effort
will develop a site-specific plan to account for sea-level rise,
erosion trends, and community development patterns along the
beach, with the goal of identifying innovative beach management
approaches for Kailua and to serve as a template for place-based
management on other Hawaii beaches.

Your Committees support the approach in this amended measure, particularly as it builds on work already underway. However, your Committees would urge the Sea Grant College Program to explore alternative methods of funding, including any funds that may be available in the federal economic stimulus package.

Your Committees have amended this measure accordingly, to:

- (1) Reference the Kailua Beach and Dune Management Plan currently being conducted by the University of Hawai'i Sea Grant College Program and the Department of Land and Natural Resources;
- (2) Change the expending agency from the University of Hawai'i School of Ocean and Earth Sciences to the University of Hawai'i Sea Grant College Program; and
- (3) Clarify that the 2010 report to the Legislature is a progress report of the Kailua Beach and Dune Management Plan, and the 2011 report to the Legislature is a final report to include measures that may be adopted in order to manage coastal erosion, sea level rise, and land use development along the shoreline of Kailua.

As affirmed by the records of votes of the members of your Committees on Higher Education and Energy and Environment that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 1280, as amended herein, and recommend that it pass Second Reading in the form attached hereto as S.B. No. 1280, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committees on Higher Education
and Energy and Environment,

MIKE GABBARD, Chair

JILL TOKUDA, Chair

The Senate
Twenty-Fifth Legislature
