Your Committee received testimony in support of this measure from two government entities. Written testimony presented to the Committee may be reviewed on the Legislature's website.

Your Committee finds that this measure addresses the importance and complexity of multi-jurisdictional collaboration and partnerships among the many public safety agencies. The intent of this measure is to achieve effective voice and data communications during routine and emergency civil defense situations.

Your Committee has amended this measure by making technical, nonsubstantive amendments for clarity and style.

As affirmed by the record of votes of the members of your Committee on Public Safety and Military Affairs that is attached to this report, your Committee is in accord with the intent and
