RE: S.B. No. 2469  
S.D. 2  
H.D. 2  
C.D. 1

Honorable Colleen Hanabusa  
President of the Senate  
Twenty-Fifth State Legislature  
Regular Session of 2010  
State of Hawaii

Honorable Calvin K.Y. Say  
Speaker, House of Representatives  
Twenty-Fifth State Legislature  
Regular Session of 2010  
State of Hawaii

Madam and Sir:

Your Committee on Conference on the disagreeing vote of the Senate to the amendments proposed by the House of Representatives in S.B. No. 2469, S.D. 2, H.D. 2, entitled:

"A BILL FOR AN ACT RELATING TO THE EMERGENCY AND BUDGET RESERVE FUND,"

having met, and after full and free discussion, has agreed to recommend and does recommend to the respective Houses the final passage of this bill in an amended form.

The purpose of this measure is to appropriate moneys from the emergency and budget reserve fund of the State of Hawaii to maintain levels of programs determined to be essential to education, public health and public welfare.

Your Committee on Conference finds that in 1999, the Legislature established the emergency and budget reserve fund as a temporary supplemental source of funding for the State of Hawaii in times of emergency, economic downturn, or unforeseen reduction in revenues. As set forth in section 328L-3, Hawaii Revised Statutes, specific purposes for the fund include the maintaining of levels of

programs determined to be essential to public health, safety, welfare, and education. Specifically prohibited from appropriation allowances is funding items in collective bargaining contracts.

Your Committee also finds that difficult economic times and declining tax revenues have resulted in budget cuts for all state services, and that some of the most vulnerable and needy members of the community will be the hardest hit by the reduction in services. Your Committee further finds that funding of certain programs and entities such as community centers, domestic violence shelters, the Shelter Plus program and housing placement services allows members of the community to continue working as opposed to being forced to quit their jobs due to economic downturn or personal difficulties. Funding programs such as respite services, the Kupuna Care Program, Volunteer Legal Services Hawaii, the Legal Aid Society of Hawaii, the Hawaii Family Law Clinic and the employment core services of the Office of Community Services promotes the hiring or retention of current staff positions, all of which in turn keeps our citizens working and fosters a stronger economy.
