

STAND. COM. REP. NO.

2150

Honolulu, Hawaii

FEB 10 2010

RE: S.B. No. 2620  
S.D. 1

Honorable Colleen Hanabusa  
President of the Senate  
Twenty-Fifth State Legislature  
Regular Session of 2010  
State of Hawaii

Madam:

Your Committees on Economic Development and Technology and  
Public Safety and Military Affairs, to which was referred S.B.  
No. 2620 entitled:

"A BILL FOR AN ACT RELATING TO THE WIRELESS ENHANCED 911  
FUND,"

beg leave to report as follows:

The purpose of this measure is to:

- (1) Require an independent audit of the wireless enhanced  
911 fund annually, including information on the status  
of projects undertaken or planned by public safety  
answering points; and
- (2) Specify that the results of the audit shall be included  
in the Wireless Enhanced 911 Board's annual report to  
the Legislature.

Testimony in support of this measure was submitted by the  
Department of Information Technology, City and County of Honolulu.  
Testimony in opposition was submitted by the Department of  
Accounting and General Services.

Written testimony presented to the Committees may be reviewed  
on the Legislature's website.

Your Committees finds that this measure will provide timely  
and accurate information annually to the Legislature on the status

2010-0979 SSCR SMA.doc

of the wireless enhanced 911 fund, projects undertaken, and the availability of funding for these projects. Your Committees have heard the concerns of the Comptroller regarding additional costs and the increased time for completion that the expanded audit will require.

Your Committees believe that the additional information regarding the projects is public information that should be readily available, but understand the concerns of the Comptroller.

Your Committees have amended this measure to require that information on the status of projects undertaken or planned by public safety answering points be included in the Wireless Enhanced 911 Board's report to the Legislature, rather than as part of the audit.

As affirmed by the records of votes of the members of your Committees on Economic Development and Technology and Public Safety and Military Affairs that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 2620, as amended herein, and recommend that it pass Second Reading in the form attached hereto as S.B. No. 2620, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on  
behalf of the members of the  
Committees on Economic  
Development and Technology and  
Public Safety and Military  
Affairs,

WILL ESPERO, Chair

CAROL FUKUNAGA, Chair

The Senate  
Twenty-Fifth Legislature  
State of Hawaii
