

Honolulu, Hawaii

FEB 20 2009

RE: S.B. No. 508  
S.D. 1

Honorable Colleen Hanabusa  
President of the Senate  
Twenty-Fifth State Legislature  
Regular Session of 2009  
State of Hawaii

Madam:

Your Committees on Higher Education and Economic Development  
and Technology, to which was referred S.B. No. 508 entitled:

"A BILL FOR AN ACT RELATING TO ARCHAEOLOGY,"

beg leave to report as follows:

The purpose of this measure is to support and appropriate  
funds for the applied archaeology graduate program at the  
University of Hawai'i at Manoa.

Testimony in support of this measure was submitted by the  
Department of Land and Natural Resources, Historic Hawai'i  
Foundation, Kamehameha Schools, and twelve individuals. Copies of  
written testimony are available for review on the Legislature's  
website.

Your Committees find that in 2007, the University of Hawai'i  
at Manoa initiated the applied archaeology program to train  
students in understanding and meeting the unique challenges of  
historic preservation in Hawai'i. The program was designed to help  
students and working professionals throughout the State and in its  
second year, is receiving a sharply increased number of  
applications from local students. This measure would expand the  
program and assist in addressing what has become a critical  
shortage of archaeologists - both in government and the private  
sector - with an understanding of the complex cultural, historic,  
and practical aspects of historic preservation in Hawai'i.

Your Committees are strongly supportive of the initiatives in this measure, particular the increased emphasis on distance learning for those students on Neighbor Islands. In addition, your Committees believe that the community workshops in this measure are vital in building on and continuing past collaborative efforts of the State's historic preservation professionals.

Your Committees have amended this measure by making technical amendments to correct a drafting error.

As affirmed by the records of votes of the members of your Committees on Higher Education and Economic Development and Technology that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 508, as amended herein, and recommend that it pass Second Reading in the form attached hereto as S.B. No. 508, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on  
behalf of the members of the  
Committees on Higher Education  
and Economic Development and  
Technology,

CAROL FUKUNAGA, Chair

JILL TORUDA, Chair

The Senate  
Twenty-Fifth Legislature  
State of Hawaii
