CONFERENCE COMMITTEE REPORTS

At this time, the Chair stated:

"Reports of Conference Committees. Members as you know, the Senate President and I waived the Friday midnight deadline for the filing of Committee reports and Conference drafts for certain measures which were agreed upon in public on Friday evening. I wanted to take this opportunity to explain the procedural reasons why these reports and proposed drafts were not filed on Friday night and the reasons why the President and I waived the deadlines.

"Back in January of this year the Senate President and I prepared an internal Legislative timetable, setting April 23rd, 2010 as the last day to file fiscal bills for Constitutional decking purposes prior to Final Reading. On March 30th of this year the President and I signed Conference Committee guidelines that provided in paragraph 11(c) that all Conference Committee reports for fiscal bills should be filed by 11:30 p.m. on Friday, April 23rd.

"However, some measures were being negotiated up to the last few minutes before midnight on Friday night. These Conference Committees, even though they had reached agreement on the substance of their measures, did not have the time to prepare and adequately review the Conference reports and final form of the Conference drafts prior to the filing deadline.

"Therefore, the President and I exercised our powers under Rule 13 of the Conference Committee Guidelines for an exception to this deadline for these measures which were agreed upon in public. If need be, we allowed these measures to be filed with the respective Clerk's offices between 12:00 noon and 1:00 p.m. on Saturday, April 24th.

"The President and I felt that since the Conferees had reached a timely agreement on these bills, allowing these measures to die based on an internal procedure deadline for filing the requisite paperwork with the Clerk's office in each Chamber was not in the best interest of the people of Hawaii. Rather we felt it important to exercise the discretion that the guidelines gave us to waive that deadline and ensure that important initiatives would reach the Floor of both Chambers for Final Reading as the Conference Committees intended.

"I wish to emphasize that previous Legislatures, when facing similar situations in the past, have followed the same procedure we will be following with these measures. So please note that the Conference Committee Reports Nos. 154-10 to 159-10 as listed on pages 30 and 31 will receive the required 48-hour notice of final form as required by our Constitution and will therefore be before this Chamber for Final Reading on Wednesday, April 28th. This is for the record for the House Journal. So those measures on pages 30 and 31, 48-hour notice."
