

JUDITH L. FADROWSKY  
1360 Laukahi Street  
Honolulu, Hawaii 96821

**LATE**

Representative Ryan I. Yamane, Chair  
Representative Scott Y. Nishimoto, Vice Chair  
Committee on Health

January 29, 2010

**Support for HB 2056, Relating to Pharmacist Licensure**

I strongly support HB 2056, Relating to Pharmacist Licensure, which would allow student who perform their rotations in any setting where pharmacists practice in one of the fifty states, the District of Columbia, and the United States territories, and under the supervision of a licensed pharmacist, to receive credit that counts toward their licensure requirements. It is vital to the education of our pharmacy students that advanced pharmacy practice experience rotations in a United States territory or the District of Columbia, or at a designated advanced practice location under the supervision of a registered pharmacist, count toward licensure requirements.

Mahalo for your consideration,

A handwritten signature in black ink that reads "Judith L. Fadrowsky". The signature is written in a cursive, flowing style.

Judith L. Fadrowsky, RN

## **LATE TESTIMONY**

### **Committee on Health**

HEARING - Friday, January 29, 2010 at 9:30 a.m.

Conference Room 329, State Capitol, 415 South Beretania Street, Honolulu, HI

**Subject: Support for HB 2056, Relating to Pharmacist Licensure**

Honorable Representative Ryan I. Yamane, Chair  
Honorable Representative Scott Y. Nishimoto, Vice Chair  
And Honorable Members of the Committee on Health

I support HB 2056, which recognizes that relevant and beneficial pharmacy practice experiences (counting towards practical experience requirements for licensure) occur in locations other than just the traditional pharmacy settings. As in the current law, all such expanded practice experiences would, of course, require the supervision of a registered pharmacist.

The Act also adds practice experience rotations performed in the District of Columbia and United States territories, in addition to such experience that is currently limited to the 50 states. Again, all practice experiences are under the supervision of a registered pharmacist. This is especially appropriate given Hawaii's mid-Pacific location and the national and international character of the UHH College of Pharmacy student body.

Please support these common sense changes to the current law and vote for HB 2056. Mahalo for your consideration.

Alexander J. Fadrowsky, III

**To:** Rep. Ryan Yamane  
**Subject:** Support for HB2056 relating to pharmacist licensure

Dear Rep. Ryan I. Yamane,

My name is Jana Enokawa and I am a pharmacy student at the University of Hawaii at Hilo. I just wanted to send a quick email to express my support of HB2056. This bill would greatly enhance my profession, since this would allow my future colleagues to gain valuable experience in the U.S. territories and the District of Columbia while also obtaining the hours they need for licensure. Thank you for your time!

Sincerely,  
Jana Enokawa
