CHIEF ELECTION OFFICER, OFFICE OF ELECTIONS

TO THE SENATE COMMITTEE ON JUDICIARY AND GOVERNMENT OPERATIONS

ON HOUSE BILL NO. 2397, HD 1

RELATING TO PRIMARY ELECTIONS

March 12, 2010

Chair Taniguchi and members of the Senate Committee on Judiciary and Government Operations, thank you for the opportunity to testify in support of House Bill No. 2397, HD 1. The purpose of this bill is to implement amendments to federal law concerning voting by military and overseas voters.

Specifically, President Barack Obama signed into law the National Defense Authorization Act for Fiscal Year 2010 on October 28, 2009. Subtitle H of that law, which may be cited as the Military and Overseas Voter Empowerment Act (MOVE), amended various parts of the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) (42 USC §§ 1973ff et seq.)

Among these amendments is a provision requiring states to transmit absentee ballots to uniformed and overseas voters no later than forty-five days prior to a federal elections. 42 USC § 1973ff-1(a)(8). This provision is effective as of the 2010 General Election. The present law provides for the Primary Election to be held on the second to the last Saturday in September in every even numbered year, provided that in no case does it precede the General Election by less than forty-five days. HRS § 12-2. Given that the General Election is held on the first Tuesday following the first Monday in November in every even numbered year, most Primary Elections are exactly forty-five days prior to the General Election. Haw. Const. Article II, § 8 (State Elections); 2 USC §§ 1 & 7 (Congressional Elections); and 3 USC § 1(Presidential Elections).

¹ The Primary Election is forty-five days prior to the general election in 2010, 2014, 2018, and 2020. In 2012 and 2022 the Primary Election is fifty-two days prior to the General Election, due to first day of November in those years being a Tuesday, thus causing an additional week to elapse before the first Tuesday after the first Monday in November.

Testimony for HB 2397, HD 1 March 12, 2010 Page 2

A period of forty-five days between the Primary and General Election is insufficient to finalize election results, address legal challenges, proof the contents of the General Election ballot, print the ballots, and finally mail them out in compliance with the new federal law. Specifically, challenges to the Primary Election results can be filed up to six days after the election and the resolution of said challenge by the Hawaii Supreme Court may take up to an additional nine days. HRS § 11-173.5. Separately, the proofing of the General Election ballot as to candidates, ballot questions, and ballot types takes approximately seven days. After which, it takes approximately fourteen days to print the ballots, before they can even be processed and mailed out forty-five days in advance of the General Election.

As such, it would be difficult to meet this new federal requirement, barring a change in our laws. It should be noted that the federal law allows for states to request a waiver of the requirement on an election by election basis, if it can show that it has alternative means by which it can ensure access to the ballot for overseas voters. 42 USC § 1973ff-1(g)(1). The law further provides that the request must be made more than ninety days before the general election and that the approval or denial of the request will occur no later than sixty-five days before the general election. 42 USC § 1973ff-1(g)(3).

With this in mind, we have sought to immediately submit the State of Hawaii's application, but we have been informed by the Federal Voting Assistance Program that it is still consulting with the Department of Justice on the specifics of the waiver application process. 42 USC § 1973ff-1(g)(2). As such, until that time no application can be submitted or considered.

The Office of Elections supports HB 2397, HD 1 as it addresses the Office's previously noted concerns about timing, by moving Hawaii's Primary Election date to the second Saturday in August and the deadline for filing nomination papers to the first Tuesday in June.

Thank you for the opportunity to testify in support of House Bill No. 2397, HD 1.

Testimony on H.B. No. 2397, HD1, Relating to Primary Elections¹ SUBJECT:

Friday, March 12, 2010 9:30 a.m. in Conference Room 016

Chair Taniguchi, Vice-Chair Takamine, and Members of the Senate Committee on Judiciary and Government Operations, thank you for the opportunity to testify on this bill which proposes to, among other things, change the date of the primary election from the second to the last Saturday in September to the second Saturday in August for primary elections.

According to Section 1 of the bill, the Office of Elections confirms that they will seek a waiver under the Uniformed and Overseas Citizens Absentee Voting Act for the 2010 election when the federal government begins accepting applications for waivers. We support the effective date of the bill as January 1, 2011.

If the primary election date must change to the second to the last Saturday in August, we recommend that the Committee amend the bill by making 2 changes to the reporting deadlines for candidate committees, and 1 change adding one additional report for noncandidate committees to maintain the same level of transparency we have currently, as follows:

This bill was referred to only this committee. The companion bill (S.B. 2819, SD 2, Relating to Elections) was passed by the Senate and referred to JUD and FIN and JUD has not yet scheduled a hearing for the bill as of March 10, 2010 when our testimony was submitted.

§11-212 Preliminary reports.

- (a)(1) The candidate committee of each candidate whose name will appear on the ballot in the immediately succeeding election shall file a preliminary report. Preliminary reports shall be filed on the following dates:
- (A) July thirty first fifth of the year of the primary election;
- (B) Ten calendar days prior to each primary and initial special election; and
- (C) September 30 of the year of the primary election; and
- (E) (D) Ten calendar days prior to a special or general election.

* * * *

(b) Each noncandidate committee shall file a preliminary report with the commission on the tenth calendar day prior to each primary election, on September 30th, and the tenth calendar day prior to a special or general election. Each report shall be certified pursuant to section 11-195 and shall contain the following information, which shall be current through the fifth calendar day prior to the filing of a preliminary report:

For an in-depth discussion of these changes, we provide the following: in Part I we discuss candidate committee reports; in Part II we discuss noncandidate committee reports; and Part III compares H.B. No. 2397, H.D. 1 to S.B. No. 2819, S.D. 2.

Due date	Reporting period	Candidate Committee Report
August 2, 2010	January 1 through June 30, 2010	1st Preliminary Primary Report

⁶ This is the first report for candidates for the Office of Hawaiian Affairs.

- (A) July thirtieth of the year of the primary election;
- (B) Ten calendar days prior to each primary and initial special election; and
- (C) Ten calendar days prior to a special or general election.

(2) Each report shall be certified pursuant to section 11-195 and shall contain the following information which shall be current through the thirtieth calendar day prior to the filing of the report filed on the thirtieth of July and fifth calendar day prior to the filing of other preliminary reports..." HRS section 11-212(a).

¹² "Each candidate, candidate's committee, or committee, that within the period of fifteen calendar days through four calendar days prior to a primary, special primary, general, or special general election, makes contributions aggregating more than \$500, or receives contributions from any person or entity aggregating more than \$500, shall file a report with the commission or appropriate county clerk's office on forms provided by the commission, no later than 4:30 p.m., three calendar days prior to the election." HRS section 11-207.5(a).

⁷ This form is for reporting contributions from any person or entity that aggregates more than \$500 and made to a candidate during the period of fifteen calendar days through four calendar days prior to the General Election. Late Contributions must also be reported on the Final Election Period Report. The report is not required if there are no Late Contributions or if a candidate won outright or was unsuccessful in the Primary Election.

⁸ For candidates that filed the Preliminary General Report.

⁹ For candidates that won outright or were unsuccessful in the Primary Election and who did not file the Preliminary General Report.

¹⁰ For candidates whose aggregate contributions and aggregate expenditures for the election period total \$1,000 or less. All previous reports, with the exception of the Organizational Report, are not required to be filed.

^{11 &}quot;(a)(1) The candidate committee of each candidate whose name will appear on the ballot in the immediately succeeding election shall file a preliminary report with the commission or appropriate county clerk's office. Preliminary reports shall be filed on forms provided by the commission no later than 4:30 p.m. on the following dates:

Due date	Reporting period	Candidate Committee Report
September 13	July 31 through August 14, 2010	
[October 8, 2010]	January 1 through [September 18, 2010]	Expenditures of Public Funds
<u>September 13, 2010</u>	August 14, 2010	
October 25, 2010	[September 19] August 15 through October 18, 2010	Preliminary General Report
October 25, 2010	January 1 through October 18, 2010	Preliminary General Report

December 2, 2010	December 2, 2010 October 19, 2010 through November 2, 2010	
December 2, 2010 [September 19] August 15 through November 2, 2010		Final Election Period Report; or
December 2, 2010 January 1 through November 2, 2010 December 2, 2010 January 1 through November 2, 2010		Final Election Period Report
		Expenditures of Public Funds

H.B. No. 2397, H.D.1 would, among other things:

- Require that the first preliminary primary report and second preliminary primary report be filed by the candidate committee within two days of each other (August 2 and August 4, respectively); and
- Present a 42-day gap in the 2010 election between the committee's final primary report filed on September 13, 2010 (for the reporting period from July 31 through August 14, 2010) and the preliminary general report filed on October 25, 2010 (reporting period from August 15 though October 18, 2010). There would be less transparency for the public as information regarding candidates' contributions and expenditures would not be available to the public during this gap. Under current law, the time-period between the regular reports filed during the peak election time of 2010 varies from seventeen to thirty days based on how close to each election day it is (i.e., reports would be due in 2010 on September 8, October 8, and October 25).
 - C. Recommendation amend section 11-212(a), HRS, so that the first preliminary primary report for candidate committees is filed on July 5 and second preliminary primary report is filed on July 30; amend the law to add a second preliminary general report to be filed on September 30

We recommend amending section 11-212(a), HRS as follows:

"(a)(1) The candidate committee of each candidate whose name will appear on the ballot in the immediately succeeding election shall file a preliminary report with the commission or appropriate county clerk's office. Preliminary reports

¹³ "Each candidate whether or not successful in a primary or initial special election, authorized person in the case of a party, or campaign treasurer in the case of a committee, shall file a final primary report certified pursuant to section 11-195 with the commission on forms provided by the commission no later than 4:30 p.m. on the twentieth calendar day after a primary or initial special election." HRS section 11-213(a).

shall be filed on forms provided by the commission no later than 4:30 p.m. on the following dates:

- . (A) July [thirtieth] fifth of the year of the primary election;
- (B) Ten calendar days prior to each primary and initial special election; [and]
- (C) September 30 of the year of the primary election; and
- [(C)] (D) Ten calendar days prior to a special or general election.
- (2) Each report shall be certified pursuant to section 11-195 and shall contain the following information which shall be current through the thirtieth calendar day prior to the filing of the report filed on the thirtieth of July and fifth calendar day prior to the filing of other preliminary reports..."

If our recommendations are incorporated in this bill, candidate committees would be required to file reports as follows:

Due date	Reporting period	Candidate Committee Report
[August 2, 2010]	January 1 through June 30, 2010	1st Preliminary Primary Report

The legislature also finds that Hawaii law allows only forty-five days between primary and general elections, making meeting the federal mailing deadlines an impossibility. The federal and interprovides that the waiver request must be made more than ninety days before the general election, and that the approval or denial of the request will occur no later than sixty-five days before the general election. With this in mind, state election officials sought to immediately submit the State of Hawaiiis waiver application, but they have been informed that the federal government is still determining the specifics of the waiver application process and, as such, are not receiving applications at this time.
