HOUSE OF REPRESENTATIVES TWENTY-SIXTH LEGISLATURE, 2011 STATE OF HAWAII H.R. NO. 218

HOUSE RESOLUTION

REQUESTING THAT THE TAX REVIEW COMMISSION CONDUCT A STUDY ON THE PROJECTED NET LOSS TO HAWAII RESIDENTS IN THEIR FEDERAL TAX LIABILITY THAT IS ATTRIBUTABLE TO THE MANNER IN WHICH THE STATE AND COUNTY GOVERNMENTS ARE CURRENTLY FUNDED.

1 WHEREAS, Hawaii is one of the few states where the State 2 pays for many services that would otherwise be paid for by 3 county governments, such as the state educational system, 4 ambulance services, hospitals, correctional facilities, and 5 courts; and

7 WHEREAS, pursuant to Article VII, section 3, of the Hawaii 8 Constitution, "all functions, powers and duties relating to the 9 taxation of real property shall be exercised exclusively by the 10 counties, with the exception of the county of Kalawao"; and 11

12 WHEREAS, as a result, services paid for by the State are 13 not funded by real property tax revenues; and

15 WHEREAS, the Internal Revenue Code allows for the deduction 16 of real property taxes because the Internal Revenue Code has 17 been drafted on the assumption that, in most states, real 18 property tax revenues would be used to fund these services; and 19

WHEREAS, because real property taxes could potentially be
lower in Hawaii since county governments theoretically do not
have to pay for as many services as their mainland counterparts,
Hawaii taxpayers may not benefit as greatly from federal tax
deductions as mainland taxpayers; now, therefore,

26 BE IT RESOLVED by the House of Representatives of the 27 Twenty-sixth Legislature of the State of Hawaii, Regular Session 28 of 2011, that the Tax Review Commission is requested to study 29 the projected net loss to Hawaii residents in their federal tax
