"EXECUTIVE CHAMBERS
HONOLULU
May 5, 2011

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 382

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 382, entitled "A Bill for an Act Relating to the Auditor."

The purpose of this bill is to specifically allow the Auditor to inspect the documents, confidential tax returns, and financial affairs of the Department of Taxation and to require the Auditor to implement internal policies to protect confidentiality of private personal information contained in tax returns.

This bill is objectionable because the Auditor currently has statutory authority to inspect the records of agencies pursuant to section 23-5, Hawaii Revised Statutes. Moreover, section 23-5(c)(1), Hawaii Revised Statutes, authorizes the Auditor to issue subpoenas that are subject to judicial review. This bill appears to give the Auditor unrestricted access to taxpayers' tax returns and return information "only to the extent necessary in the auditor's duties within the scope of the audit," but leaves it to the Auditor to determine what is within the scope of the Auditor's duties.

America's taxation system, as well as Hawaii's taxation system, relies and rests on a bedrock principle of voluntary compliance and self assessment. In return for a taxpayer's voluntary act of self-assessment, federal and state laws provide stringent confidentiality requirements that provide a strong incentive for taxpayers to report all of their income. See, generally, Federal Savings and Loan Insurance Corporation v. Krueger, 55 F.R.D. 512, 514 (D.C. Ill. 1972); see also United States v. Tucker, 316 F. Supp. 822, 825 (D. Conn. 1970) (statutes forbidding unauthorized disclosure of income tax return information encourages the full and accurate reporting of income for tax purposes).

Currently, with respect to tax returns or return information, sections 235-116 and 237-34, Hawaii Revised Statutes, make it a criminal offense for any officer or employee of the Department of Taxation to disclose tax returns or return information to any other person by the taxpayer or the taxpayer's authorized representative, with certain other limited exceptions. Similarly, sections 6103(a) and 7213 of the Internal Revenue Code generally prohibit the disclosure of federal income tax returns. Moreover, federal law in section 6103(i)(8)(C) of the Internal Revenue Code contains a provision for disclosures to the Comptroller General for auditing purposes, but this statute also contains the following pre-condition for disclosure for audit purposes:

(C) Disapproval by Joint Committee on Taxation

Returns and return information shall not be open to inspection or disclosed under subparagraph (A) or (B) with respect to an audit-

(i) unless the Comptroller General of the United States notifies in writing the Joint Committee on Taxation of such audit, and

(ii) if the Joint Committee on Taxation disapproves such audit by a vote of at least two-thirds of its members within the 30-day period beginning on the day the Joint Committee on Taxation receives such notice.

The bill lacks this important and essential provision that would safeguard and serve as an oversight function on the Auditor. In addition, the bill is silent on the Department of Taxation's ability to assert the

attorney-client or executive privilege for certain communications and documents.

For the foregoing reasons, I am returning House Bill No. 382 without my approval.

Respectfully,
/s/ Neil Abercrombie
NEIL ABERCROMBIE
Governor of Hawaii"

Gov. Msg. No. 1146, transmitting his statement of objections to S.B. No. 1416, SD 1, HD 1, as follows:

"EXECUTIVE CHAMBERS
HONOLULU
May 5, 2011

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 1416

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1416, entitled "A Bill for an Act Relating to Highway Safety."

The purpose of this bill is to extend the period in which an owner of a new car is exempted from obtaining a certificate of inspection from two years to three years from the date of purchase.

While new vehicles are unlikely to experience major mechanical defects during the first three years after purchase, other faults, which would be discovered during an inspection, may still occur. These faults include defective head lamps, signal lamps, and brake lamps, expired registration and insurance cards, worn-out brakes, tires, and windshield wipers, modified suspension and window tint, and cracked windshields.

New cars already have a two-year exemption from a required inspection and I cannot, in good conscience, sign a bill into law that would add another year to that exemption, because that would increase the likelihood of the aforementioned faults occurring without discovery.

For the foregoing reasons, I am returning Senate Bill No. 1416 without my approval.

Respectfully,
/s/ Neil Abercrombie
NEIL ABERCROMBIE
Governor of Hawaii"

Gov. Msg. No. 1151, dated May 5, 2011, informing the House that on May 5, 2011, pursuant to Section 16 of Article III of the State Constitution, the following bill will become law without his signature, stating:

"Dear President Tsutsui, Speaker Say and Members of the Legislature:

Re: HB1552 HD1 SD2

On May 5 2011, I intend to allow HB1552 HD1 SD2, entitled "RELATING TO COFFEE" to become law without my signature, pursuant to Section 16 of Article III of the State Constitution.

The purpose of this bill is to provide restrictions on the use of geographic origins of Hawaii-grown coffee on coffee packaging, including prohibiting the use of a Hawaii geographic origin in certain labeling unless one hundred percent of the coffee contained in the package is from that geographic region.

While I remain committed to protecting the integrity of Hawaii grown coffee, I do not believe that geographic references on coffee packages necessarily mislead consumers and imply that the coffee in the package was grown exclusively in the named geographic region. Additionally, the existing statute already requires the identity statement for blended coffee to be conspicuously displayed on the packaging. Therefore, I believe that prohibiting the use of a geographic origin on coffee packaging unless one hundred percent of the coffee is from that geographic region is more excessive than is necessary to serve the State's interest.

For the foregoing reasons, I intend to allow HB1552 HD1 SD2 to become law as ACT 049 (11) effective May 5, 2011, without my signature.

Respectfully,
/s/ Neil Abercrombie
NEIL ABERCROMBIE
Governor of Hawaii"

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 56

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 56, entitled "A Bill for an Act Relating to Child Visitation."

The purpose of this bill is to clarify the process for the family court's review of a petition of grandparents' visitation rights by establishing a rebuttable presumption that a parent's decision regarding visitation is in the best interests of the child, permitting the family court to award visitation rights to the child's grandparents if they can prove by clear and convincing evidence that the denial of those visits would cause significant demonstrable harm to the child, and listing factors that the family court shall consider when awarding grandparent visitation rights.

While the goals of this bill are laudable, several difficulties need to be addressed. I believe that it will be too difficult for grandparents to show by clear and convincing evidence that the denial of visitation will cause significant demonstrable harm to the child. While I recognize that parents have a constitutional right to raise their children as they see fit, I also recognize that grandparents often have a significant role in children's lives and should be able to visit their grandchildren.

For the foregoing reasons, I am returning House Bill No. 56 without my approval.

Respectfully,

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 545, entitled "A Bill for an Act Relating to Voter Registration."

The purpose of this bill is to require the Chief Elections Officer to create and implement an electronic voter registration system by January 1, 2014 and to maintain the system thereafter. The bill also requires the Chief Elections Officer to employ measures to ensure the security, accuracy and integrity of the information that is electronically submitted. The Attorney General, counties, and the Office of Elections are required to modify their computer systems to verify the information in the online voter registration

system and to obtain an electronic copy of each applicant's signature. The estimated cost of implementation is \$2.5 million and no funding was provided in the bill.

While the goal of this bill is laudable, it creates an unfunded mandate at a time when fiscal resources are scarce, and agencies are fighting to meet their existing responsibilities.

For the foregoing reasons, I am returning House Bill No. 545 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 667, entitled "A Bill for an Act Relating to Food Security [*sic*]."

The purpose of this bill is to establish a food safety and security program within the Department of Agriculture.

This bill has a laudable goal of achieving food safety by requiring the Department of Agriculture to establish and operate port facilities where agricultural commodities can be inspected, treated for disease, or destroyed. The department must develop and implement programs to educate the agricultural industry to meet state and federal laws, rules, and regulations. However, the authority to adopt administrative rules for the new program has not been provided and funds have not been appropriated to support this program. This issue is important enough that this Administration will work to put together comprehensive legislation including a funding mechanism for the next legislative session.

For the foregoing reasons, I am returning House Bill No. 667 without my approval.

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 1155

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 1155, entitled "A Bill for an Act Relating to Repeat Offenders."

The purpose of this bill is to amend the repeat offender law to do the following:

- (1) Amend the current law, which includes all class A and B felony offenses, to specify only certain class A and B felony offenses that may be considered in qualifying repeat offenders for mandatory minimum prison terms; and
- (2) Add and delete certain class C felony offenses from the list of class C felony offenses that could qualify repeat offenders for mandatory minimum prison terms.

While the goals of this bill are laudable, several difficulties need to be addressed as it reduces the applicability and effectiveness of the repeat offender law.

The repeat offender law, set out in section 706-606.5, Hawaii Revised Statutes, was enacted in 1976 and has been in place for almost thirty-four years. It was intended to address the serious problem of repeat and habitual offenders and career criminals who have no regard for the law or the legal system. It helps protect Hawaii's people and communities from the relatively small group of criminals who commit so many of the crimes that occur in Hawaii. These individuals can have a tremendous impact on our communities and the entire criminal justice system.

This bill would make the repeat offender law inapplicable to all felony drug offenses. The current law is particularly important in combating the sale and distribution of dangerous drugs in our community which often destroy families and the lives of those who become addicted to and abuse the drugs.

This bill makes the repeat offender law inapplicable to the offense of ownership or possession of firearms or ammunition by persons convicted of certain crimes, in violation of section 134-7, Hawaii Revised Statutes. Section 134-7(b) prohibits a person convicted in this State or elsewhere of having committed a felony, or any crime of violence, or an illegal sale of any drug from owning, possessing, or controlling any firearm or ammunition.

The exclusion of the class C felony offenses of theft in the second degree and unauthorized control of a propelled vehicle is also troubling. These offenses are frequently committed by repeat offenders, who are often professional and career criminals. There are many car thieves who commit the offense as part of organized criminal activity involving motor vehicle "chop shops." The repeat offender law helps to ensure that these professional criminals, when finally caught and convicted, are incarcerated to protect our community and our visitors from their persistent criminal activity.

This bill disregards many concerns that led to the adoption of the repeat offender law and prompted changes in the law. It undermines many of the efforts made to address the problems.

For the foregoing reasons, I am returning House Bill No. 1155 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 1230, entitled "A Bill for an Act Relating to Building Permits."

The purpose of this bill is to exempt construction of nonresidential structures used for agricultural or aquacultural operations from county building permitting processes.

While the goals of this bill are laudable, several difficulties need to be addressed. First, it does not require the reviewer of an owner's proposed building plans to be a state-licensed professional with technical knowledge of the various building code requirements. Second, it eliminates construction compliance inspections by city inspectors during and upon completion of improvements. While this bill would alleviate the delay associated with county building permitting processes for the construction of agricultural or aquacultural improvements, it does so at the expense of the health and safety of the public.

For the foregoing reasons, I am returning House Bill No. 1230 without my approval.

STATEMENT OF OBJECTIONS TO HOUSE BILL NO. 1654

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, House Bill No. 1654, entitled "A Bill for an Act Relating to Group Living Facilities."

The purpose of this bill is to provide for the automatic termination or expiration of conditional use permits, issued by the counties, for group living facilities that cease operations for a one-year period or fail to commence operations before the end of a one-year period from the date of issuance.

While the goals of this bill are laudable, several difficulties need to be addressed. This bill amends section 46-4(d), Hawaii Revised Statutes. Section 46-4 provides broad requirements for the counties to implement their zoning plans. Subsection (d) specifically applies to "group living in facilities with eight or fewer residents and that are licensed by the State." The purpose of this subsection is to prohibit the counties from enacting permitting requirements for these types of group living facilities that are different from or more burdensome than permitting requirements for residential family dwellings. The prohibition exists to ensure compliance with the federal Fair Housing Act Amendments, which prohibit discrimination against the disabled or elderly in community settings. This bill would amend this subsection to require the counties' conditional use permits to expire within one year if the group living facility has ceased operations for one year, or has failed to commence operations for one year. However, the subsection being amended prohibits counties from requiring "conditional use permits" or any other regulatory requirements for these specific group living facilities. Therefore, this amendment is inapplicable to the facilities that are the subject of this subsection. The bill does not effectuate its stated purpose because there are no "unused permits" that can be made available to other organizations who wish to provide these "critical group home services."

Furthermore, if there were any unused permits or ordinances that prohibit others from providing group living facilities, these county zoning and permitting issues should be left to the jurisdiction of the counties, rather than the State.

For the foregoing reasons, I am returning House Bill No. 1654 without my approval.

Respectfully,

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 23

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 23, entitled "A Bill for an Act Relating to Native Hawaiians."

The purpose of this bill is to establish within the Department of Land and Natural Resources, the aha kiole advisory council, which may advise the Office of the Chairperson of the Board of Land and Natural Resources and the Legislature on issues relating to land and natural resources management through the 'aha moku system. The bill requires the 'aha kiole advisory council to submit an annual report to the Office of the Chairperson of the Board of Land and Natural Resources and the Legislature at least twenty days prior to the convening of each regular session listing all recommendations made by the 'aha kiole advisory council and the resulting action taken by the Department of Land and Natural Resources over the course of the year. This bill also appropriates funds for an executive director.

While the goals of this bill are laudable, several difficulties need to be addressed. First, the council is self-selected, not confirmed, has no defined term limits, offers no guidelines concerning the role of its members, and will select its own executive director. In addition, there is no recourse for inappropriate conduct by its members or the ability to remove for cause. The resulting council would essentially be a private entity funded by taxpayers with no governmental oversight. Second, the intent in creating the council is similar to the purpose for which the Office of Hawaiian Affairs ("OHA") was created and is a natural evolution of what a new Native Hawaiian governing entity would seek to accomplish. If there is determination to not wait until this entity is formed, then the council should at least be placed within OHA and funded by OHA. Third, the bill only provides funding for an executive director. This assumes that all other costs associated with this legislation, including travel and other expenses for the eight council members, will be absorbed by the Department of Land and Natural Resources. I support the intent of the legislation to provide state government the knowledge of traditional Native Hawaiian resource management practices and welcome the chance to review a bill that addresses the previously mentioned concerns.

For the foregoing reasons, I am returning Senate Bill No. 23 without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 40, entitled "A Bill for an Act Relating to Pseudoephedrine."

The purpose of this bill is to establish an electronic tracking system for the sale of products containing pseudoephedrine or ephedrine base to further control access to pseudoephedrine and ephedrine.

This bill is objectionable because it embraces more than one subject in violation of Section 14 of Article III of the Constitution of the State of Hawaii, which provides in part:

Each law shall embrace but one subject, which shall be expressed in its title

The single subject expressed in the title of this bill is "pseudoephedrine" Section 1 of the bill amends section 329-75, Hawaii Revised Statutes, which regulates the sale of products containing pseudoephedrine and sets out record-keeping and reporting requirements for pseudoephedrine transaction, but this bill adds ephedrine, a different drug, to the provisions of section 329-75. This is clearly beyond the subject matter expressed in the title of the bill.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 44, entitled "A Bill for an Act Relating to Public Safety."

The purpose of this bill is to require the Department of Public Safety ("Department") to develop "key performance indicators or measures to be incorporated in reports that evaluate the Department's efforts to improve offender reentry and rehabilitation" and to consolidate the various other reports required of the Department of Public Safety. The bill does this by amending the Community Safety Act, chapter 353H, Hawaii Revised Statutes, to require these things. It also adds an additional annual report to be made to the Legislature regarding the Department's rehabilitation and reentry efforts.

While the goals of this bill are laudable, several difficulties need to be addressed. This bill requires the Department to establish performance measures and a tracking mechanism without enough time to accomplish these things in a well-thought-out manner. Additional funds and personnel are also not provided. This bill would require the first report to the Legislature to be made in December of this year, to include the established measures and tracking data. While the goal of this bill is laudable, appropriate implementation requires planning and resources so that the establishment of measures, tracking, and assessment of the Department's rehabilitation and reentry efforts are accomplished and reported substantively and meaningfully. Without the appropriate time and resources, the tracking of quickly established measures would not help the Department, the Legislature, or our citizens.

For the foregoing reasons, I am returning Senate Bill No. 44, without my approval.

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 49, entitled "A Bill for an Act Relating to Correctional Facilities."

The purpose of this bill is to amend chapter 353C of Hawaii Revised Statutes to require the director of the Department of Public Safety (Department) to report the death of any Hawaii inmate, or any death or injury causing the death of an employee at a correctional facility or center where Hawaii inmates reside, to the Governor within forty-eight hours. In addition, the director of the Department is required to immediately notify the Governor of the official cause of death once it is determined. In both instances, the Governor is required to then immediately report the information to the Legislature.

This bill is objectionable because it is unnecessary. The Department already has procedures in place that include notification to the Governor's Office of serious incidents involving staff, inmates, or visitors. Further, it is unprecedented and inappropriate that the Governor report such occurrences to the Legislature.

If the Legislature wishes further information based on the reports it requires of the Department, it already has at its disposal a statutorily defined process through which this information can be obtained.

For the foregoing reasons, I am returning Senate Bill No. 49 without my approval.

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 217

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 217, entitled "A Bill for an Act Relating to Limitation of Actions."

The stated purpose of this bill is to eliminate the statute of limitations for civil causes of action for damages arising from the sexual abuse of a minor by an adult based upon sexual acts that constitute certain criminal offenses under parts V and VI of chapter 707, Hawaii Revised Statutes. The bill also allows claims that are beyond the current statute of limitations to be revived for two years following the effective date of the act. Claims may be brought against the person who committed the sexual abuse and that person's employer.

While the goals of this bill are laudable, it appears to allow an employer, including the State, to be sued for the criminal acts of its employees. This is contrary to well-established tort and agency law and is in direct contravention of the intentional tort exception to the State Tort Liability Act (STLA), chapter 662 of the Hawaii Revised Statutes. Under the STLA, the State cannot be sued for the criminal or intentional acts of its employees. In addition, this bill irreconcilably conflicts with the STLA, which already establishes a statute of limitations for tort claims against the State.

The elimination of a statute of limitations for a civil claim also raises grave constitutional and fairness concerns. If a claim can be brought after an unlimited passage of time, it is likely that documents will be lost or destroyed, witnesses will die or move away, and memories will fade. The accused, even those falsely accused, will not be able to defend himself, herself, or itself and true justice will not be achieved.

For the foregoing reasons, I am returning Senate Bill 217 without my approval.

State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1417, entitled "A Bill for an Act Relating to the State Rehabilitation Council."

The purpose of this bill is to amend section 348-8, Hawaii Revised Statutes, to lower the number of members of the State Rehabilitation Council necessary to constitute a quorum to conduct business from eleven to ten, and to lower the number of votes necessary to validate any action of the council from eleven to six. The State Rehabilitation Council consists of twenty-one members.

While the goals of the bill are laudable, the entire twenty-one-member council would not be fairly represented if the vote of only six members were necessary to validate council action. We should instead identify and reduce or eliminate barriers to attendance to ensure that persons with disabilities have full representation during council meetings.

For the foregoing reasons, I am returning Senate Bill No. 1417 without my approval.

Respectfully,
/s/ Neil Abercrombie

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 1493

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1493, entitled "A Bill for an Act Relating to Light Pollution."

This bill requires every new and replacement outdoor light fixture to be fully shielded beginning July 1, 2013, with certain exceptions.

I support the intent of this bill and its goals of reducing light pollution, protecting endangered species, conserving energy, and reducing the sky glow that impacts astronomy and the ability to see the night sky. However, since the bill passed, new information has become available about the cost and timing of implementation; this bill does not provide funding for the significant initial and continuing expenses that would be required to implement this legislation and does not provide a feasible implementation plan. The law as written is prohibitive.

However, this is a worthy issue and needs to be pursued. A temporary advisory committee was established by Act 161, Session Laws of Hawaii 2009 to develop a starlight reserve strategy to preserve the quality of the night sky. I will work with this committee to develop legislation for the 2012 legislative session which achieves the objectives of Senate Bill 1493 and includes a financing plan.

For the foregoing reasons, I am returning Senate Bill No. 1493 without my approval.

Respectfully,
/s/ Neil Abercrombie

"EXECUTIVE CHAMBERS
HONOLULU
July 12, 2011

STATEMENT OF OBJECTIONS TO SENATE BILL NO. 1559

Honorable Members
Twenty-Sixth Legislature
State of Hawaii

Pursuant to Section 16 of Article III of the Constitution of the State of Hawaii, I am returning herewith, without my approval, Senate Bill No. 1559, entitled "A Bill for an Act Relating to Important Agricultural Lands."

The purpose of this bill is to provide incentives for designating land as Important Agricultural Lands ("IAL"). This bill requires priority processing of permit applications for agricultural facilities of an agribusiness which only processes crops or livestock produced on IAL. The bill also requires the public utilities commission to establish preferential rates for the purchase of energy that is used or consumed for agricultural activities on IAL.

This bill is objectionable because this measure may create implementation issues involving dispute resolution, monitoring, and compliance. Furthermore, additional consideration should be given to the overall development of agriculture and which agricultural activities deserve additional support through incentives or favorable treatment.

For the foregoing reasons, I am returning Senate Bill No. 1559 without my approval.

Respectfully,
/s/ Neil Abercrombie
