LATE TESTIMONY

Comments:

The Hawaii Veterinary Medical Association supports HB1133HD1.
However, the docking of tails (and declaws) and the cropping of ears MUST not be exempted as these are procedures which should only be performed by a licensed veterinarian. Only veterinarians have received proper training to minimize risk, pain and infection and to do the job right!

Comments:

I believe only a licensed vet should be allowed to crop or perform any surgery regardless of payment.
