

HCR 315

REQUESTING THE OFFICE OF HAWAIIAN AFFAIRS AND THE DEPARTMENT OF HAWAIIAN HOME LANDS TO EXAMINE THE FEASIBILITY OF JOINTLY ESTABLISHING A NATIVE HAWAIIAN RESEARCH, SCIENCE, AND TECHNOLOGY PARK.

House Committee on Hawaiian Affairs House Committee on Economic Revitalization and Business

March 30, 2011 10:30 a.m. Room 329

The Office of Hawaiian Affairs (OHA) submits the following comments on HCR315:

While this resolution has merit in its efforts to examine ways to encourage Native Hawaiian entrepreneurs interested in the research and technology arena, OHA does not have the in-house expertise to pursue the kind of thorough analysis and recommendation envisioned by the resolution. OHA respectfully suggest that the feasibility analysis be conducted by the Department of Business and Economic Development with input from OHA.

Mahalo for the opportunity to testify.
