### Comments:

Please support this bill. I have lived across the street from a man that was found guilty, served only one year and is out walking around like he did nothing. As his neighbor he wanted nothing to do with my house as we were all adults. I watched him making friends with the neighbors that had little girls. He "helped" with handyman needs for them. He did this until a camera was found in a radio that was making videos of his stepdaughter and he had the footage in his computer! I'm concerned that because he didn't get to the point of contact yet, so he is off for a light sentence that our state will see more sexual crimes as well as men becoming more and more sick because they can get off by watching little children on the computer. Please SUPPORT this bill! Thank you.

**Comments:**

I humbly ask for your support of SB52-SD1 which requires person convicted of violation of privacy in the first degree to register as sex offenders for ten years. Your support and passage of this bill will not only bring the current sex offender laws up to date but also send a clear message that this will not be tolerated in the State of Hawaii.
