ORDER OF THE DAY

At this time, the Chair announced:

"Members, please note that HCR No. 24 has been re-refereed solely to the Committees on Health, and Human Services per Committee Referral Sheet No. 56. The Committee on Legislative Management waived its referral to this measure and it is therefore appropriate for the House to consider action for Adoption."

SUSPENSION OF RULES

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the rules were suspended to reconsider action previously taken on H.C.R. No. 24. (Representatives Cabanilla, Carroll, Chong, M. Oshiro, Say and Thielen were excused)

RECONSIDERATION OF ACTION TAKEN

Representative B. Oshiro moved that the House reconsider its action previously taken pursuant to the recommendation contained in Standing Committee Report No. 1397, recommending referral to the Committee on Legislative Management, seconded by Representative Evans and carried. (Representatives Cabanilla, Carroll, Chong, M. Oshiro, Say and Thielen were excused.)

UNFINISHED BUSINESS

Representative B. Oshiro moved that H.C.R. No. 24, be adopted, seconded by Representative Evans.

Representative M. Lee rose in support of the measure and asked that her written remarks be inserted in the Journal, and the Chair "so ordered."

Representative M. Lee's written remarks are as follows:

"Mr. Speaker, I rise in support of HCR24, which EXTENDS THE DEADLINE FOR THE HOME FOR LIFE TASK FORCE TO REPORT ITS FINDINGS AND RECOMMENDATIONS FOR REDUCING BARRIERS TO AGING IN PLACE AND FACILITATING MULTIGENERATIONAL LIVING.

"Though authorized in 2009, the Home for Life Task Force did not officially convene until June 2010. The authorizing Resolution was very detailed, and contained many responsibilities for the task force members, all of whom are volunteers, with no budget or staff. Under these circumstances, the Task Force has made significant progress, through its four working groups.

"The Task Force held seven general meetings between June 2010 and January 2011, and submitted an Interim Report to the Legislature in January 2011. This report described the activities of the working groups and contained preliminary recommendations for your consideration. That said, a great deal more remains to be done by this volunteer body, and an extension of the life of the Task Force until June 2012 is urgently needed. I ask the Members' support."

The motion was put to vote by the Chair and carried, and H.C.R. No. 24, entitled: "HOUSE CONCURRENT RESOLUTION EXTENDING THE DEADLINE FOR THE HOME FOR LIFE TASK FORCE TO REPORT ITS FINDINGS AND RECOMMENDATIONS FOR REDUCING BARRIERS TO AGING IN PLACE AND FACILITATING MULTIGENERATIONAL LIVING," was adopted, with Representatives Cabanilla, Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative Keith-Agaran, for the Committee on Judiciary presented a report (Stand. Com. Rep. No. 1606) recommending that H.R. No. 26, as amended in HD 1, be adopted.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the report of the Committee was adopted and H.R. No. 26, HD 1, entitled: "HOUSE RESOLUTION URGING THE MAYOR OF HONOLULU AND THE HONOLULU CITY COUNCIL TO ALLOW AN EXEMPTION FROM SECTION 15-14.1(a)(2) OF THE REVISED ORDINANCES OF HONOLULU TO ALLOW FOR STREET PARKING IN THE COMMUNITY OF HO'OKEA IN EWA VILLAGES," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative Keith-Agaran, for the Committee on Judiciary presented a report (Stand. Com. Rep. No. 1607) recommending that H.C.R. No. 30, as amended in HD 1, be adopted.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the report of the Committee was adopted and H.C.R. No. 30, HD 1, entitled: "HOUSE CONCURRENT RESOLUTION URGING THE MAYOR OF HONOLULU AND THE HONOLULU CITY COUNCIL TO ALLOW AN EXEMPTION FROM SECTION 15-14.1(a)(2) OF THE REVISED ORDINANCES OF HONOLULU TO ALLOW FOR STREET PARKING IN THE COMMUNITY OF HO'OKEA IN EWA VILLAGES," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative Keith-Agaran, for the Committee on Judiciary presented two reports:

(Stand. Com. Rep. No. 1608) recommending that H.R. No. 44, as amended in HD 1, be adopted; and

(Stand. Com. Rep. No. 1609) recommending that H.C.R. No. 51, as amended in HD 1, be adopted.

Representative B. Oshiro moved that the reports of the Committee be adopted, and that H.R. No. 44, HD 1; and H.C.R. No. 51, HD 1, be adopted, seconded by Representative Evans.

Representative Marumoto rose to speak in support of both measures with reservations, stating:

"Mr. Speaker, I rise in favor of these resolutions, Stand. Com. Rep. Nos. 1608 and 1609. I believe they are companion measures. And I will vote with reservations, but I wanted to ask the introducer of these resolutions if he will yield to a question."

At 12:15 o'clock p.m. the Chair declared a recess subject to the call of the Chair.

The House of Representatives reconvened at 12:15 o'clock p.m.

Representative Marumoto continued, stating:

"Thank you. I believe the introducer of these measures is the Representative from Pearl City and I'm wondering if he would yield to a question. I'm just asking the impact of these resolutions, Urging the United States Congress to Propose an Amendment to the US Constitution for the States' Consideration to Provide that Corporations are not Persons under the Laws of the United States or Any of its Jurisdictional Subdivisions."

Vice Speaker Manahan: "Representative Takumi, will you yield to a question?"

Representative Takumi: "No, Mr. Speaker."

Representative Marumoto continued, stating:

"Thank you. I don't quite understand the impact of these resolutions therefore, I am voting with reservations. Thank you."

Representative Pine rose and asked that the Clerk record an aye vote with reservations for her on both measures, and the Chair "so ordered."

Representative Fontaine rose and asked that the Clerk record an aye vote with reservations for him on both measures, and the Chair "so ordered."

Representative Riviere rose and asked that the Clerk record an aye vote with reservations for him on both measures, and the Chair "so ordered."

Representative Johanson rose and asked that the Clerk record an aye vote with reservations for him on both measures, and the Chair "so ordered."

Representative Ward rose to speak in support of both measures with reservations, stating:

"Mr. Speaker. Reservations with a couple of comments. Mr. Speaker, there's a rich history of corporate law that goes back about 120 year where corporations were defined as individuals so in effect, they could be had if you would, in terms of a court of law rather than some nebulous Board of Directors, or shareholders, or officers.

"And then in 1907, corporations were forbidden to contribute to political entities. Then in the '40s unions were prohibited and there's been a series of court cases where campaign spending has become really quite a legal ... The word is, complications and a bailiwick of confusing decisions.

"These resos however add to the confusion because it attacks the corporate law, which is part of the marketplace, which is part of what America does through its interstate commerce, versus campaign spending law. And there is a problem with the campaign spending law. But to attack the corporate law through an amendment of the Constitution I think, is putting the 'cart before the horse.'

"And Mr. Speaker, if there's any reason that we open up the Constitution, it better be for a bit of a heavier reason than playing around with something that we could handle by a law strictly regarding campaign spending. The law needs to be fixed, but I don't think this is the remedy. For those reasons, I have strong reservations. Thank you."

Representative Ching rose and asked that the Clerk record an aye vote with reservations for her on both measures, and the Chair "so ordered."

Representative B. Oshiro rose to speak in support of both measures, stating:

"Mr. Speaker, I rise in support. Looking at the resolutions, looking at the Whereas clauses and the Be it resolved clauses, I fail to see how this does in anyway impact corporate law. This is specifically talking about campaign spending and the Citizens United case which held that corporations are persons under the campaign spending law and therefore are afforded the same and equal rights and treatment. All these resolutions are doing is seeking to make a distinction and say that corporations are actually fictional legal entities and they are not persons. That's all it is saying. Because what we are trying to do is uphold the most basic tenants of democracy ensuring that persons are the ones that actually participate in the electoral process, ensuring that persons are the ones that actually exercise their free speech rights under our campaign spending laws. I don't see how this impacts corporation law.

"Furthermore, having done corporate law at my law firm, I don't think there's anywhere, anywhere in corporate law, whether its common law or statutes which says that a corporation is a person. And so therefore there is no impact at all to corporate law. And so I fail to see the concerns or reservations being raised. Therefore I support these resolutions."

Representative Ward rose to respond, stating:

"Mr. Speaker, just a brief rebuttal. Number one, I did read the resolutions. And number two, it does say that these resos propose an amendment to the US Constitution for the states' consideration to provide that corporations are not persons under the laws of the United States.

"The laws of the United States have ruled since the 1800s that corporations are persons. So when the learned gentleman says that corporations are not persons, he is saying something I certainly don't understand. Thank you, Mr. Speaker."

Representative Ching rose in support of both measures with reservations and asked that her written remarks be inserted in the Journal, and the Chair "so ordered."

Representative Ching's written remarks are as follows:

"Thank you, Mr. Speaker. I rise with reservations of HR44, HCR51. While I can see the intent of these resolutions, it states that the *Citizens United v. Federal Election Commission* decision **forces** candidates to divert attention from the interests and needs of their constituents. I do not believe that this is always true. While, as stated in these resolutions corporations cannot vote, there are times when a candidate raises money from corporations, but still loses the election because they do not represent the voters' wishes. Finally, I believe the spurious language used in this resolution disparages and belittles. Thank you."

Representative Rhoads rose to speak in support of both measures, stating:

"Mr. Speaker, in support. I would say in the relative long history of American jurisprudence that qualifies corporations as persons was incorrect from the very beginning, and that corporations clearly are not persons. They can't vote. I think you could probably make the same, if you're going to start giving inanimate objects the right to vote, you can have our cars voting and our refrigerators voting.

"A corporation is a useful legal fiction that helps to limit liability for those who want to invest, but it doesn't make any sense for them to be given the same kinds of rights that actual people. They've never been actual people, and they were never intended to be actual people. And the whole idea that the Supreme Court would hold that they are people has never made any sense in any realistic way. Thank you."

Representative Souki rose, stating:

"Yes, Mr. Speaker. A point of information. May ask a question to the Majority Leader as to how many states are needed to ratify an amendment that's made by the Congress?"

At 12:22 o'clock p.m. the Chair declared a recess subject to the call of the Chair.

The House of Representatives reconvened at 12:25 o'clock p.m.

Representative B. Oshiro responded, stating:

"Mr. Speaker, in response to the question that was posed by Speaker Emeritus, and it took a refreshing of my civics lessons. But going back to Article V of the US Constitution, there appears to be two ways by which an amendment to the Constitution can be done. One of which is when two-thirds of both Houses shall deem it necessary, they propose an amendment. And then at that point, the several states have the option of calling a Convention proposing an amendment. In either way, these must be ratified by three-fourths of the states."

Representative Pine rose to respond, stating:

"Yes, I just wanted to note why I am voting with reservations. On the bottom of page two there is a sentence that just concerns me personally. It says, 'Whereas large corporations own most of America's mass media and employ those media to loudly express the corporate political agenda and to convince Americans that the primary role of human beings is that of

consumers, rather than sovereign citizens with democratic rights and responsibilities. Whereas the only way to reverse this intolerable societal reality is to amend the United States Constitution.'

"And I just find that statement really far off in left field somewhere. I don't think anyone in this Body is controlled by corporations. I think we have the best Constitution in the world that gives us more rights than any other citizens in the world and I just think this sentence should not be in this resolution."

Representative Riviere rose in support of the measure with reservations and asked that his written remarks be inserted in the Journal, and the Chair "so ordered."

Representative Riviere's written remarks are as follows:

"I disagree with the entire premise of these resolutions. The inflammatory descriptions and accusations against corporations do nothing more than encourage the image so many Americans have about Hawaii: that Hawaii is unfriendly to business. This effort to overturn longstanding legal standing as described in these resolutions has no chance of success and sends the wrong message. Mahalo."

The motion was put to vote by the Chair and carried, and the reports of the Committee were adopted and H.R. No. 44, HD 1, entitled: "HOUSE RESOLUTION URGING THE UNITED STATES CONGRESS TO PROPOSE AN AMENDMENT TO THE UNITED STATES CONSTITUTION FOR THE STATES' CONSIDERATION TO PROVIDE THAT CORPORATIONS ARE NOT PERSONS UNDER THE LAWS OF THE UNITED STATES OR ANY OF ITS JURISDICTIONAL SUBDIVISIONS," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused; and

H.C.R. No. 51, HD 1, entitled: "HOUSE CONCURRENT RESOLUTION URGING THE UNITED STATES CONGRESS TO PROPOSE AN AMENDMENT TO THE UNITED STATES CONSTITUTION FOR THE STATES' CONSIDERATION TO PROVIDE THAT CORPORATIONS ARE NOT PERSONS UNDER THE LAWS OF THE UNITED STATES OR ANY OF ITS JURISDICTIONAL SUBDIVISIONS," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative Keith-Agaran, for the Committee on Judiciary presented two reports:

(Stand. Com. Rep. No. 1610) recommending that H.R. No. 112, be adopted; and

(Stand. Com. Rep. No. 1611) recommending that H.C.R. No. 132, be adopted.

Representative B. Oshiro moved that the reports of the Committee be adopted, and that H.R. No. 112; and H.C.R. No. 132, be adopted, seconded by Representative Evans.

Representative Tsuji rose in support of both measures and asked that his written remarks be inserted in the Journal, and the Chair "so ordered."

Representative Tsuji's written remarks are as follows:

"These resolutions request the Department of the Attorney General to review confidentiality laws pertaining to court-involved, multi-agency youth. In Committee, the Department of Education (DOE) testified in support. In the public school system there are a number of court-involved youth who receive services from multiple agencies. Schools have consistently confronted challenges in sharing of information between agencies. This may result in service gaps, or occasionally, duplication of services. It would be highly valuable for the Department of the Attorney General to review the existing federal and State laws and rules in order to facilitate sharing of appropriate and necessary information. This action would serve to ensure better coordination of services and supports for these youth.

"In addition, the Department of Human Services also stated these recommendations should enhance the ability of schools, social service agencies, courts, and the juvenile and criminal justice systems to share information while safeguarding and protecting the rights of juveniles and their families."

The motion was put to vote by the Chair and carried, and the reports of the Committee were adopted and H.R. No. 112, entitled: "HOUSE RESOLUTION REQUESTING THE DEPARTMENT OF THE ATTORNEY GENERAL TO REVIEW CONFIDENTIALITY LAWS PERTAINING TO COURT INVOLVED, MULTI-AGENCY YOUTH," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused; and

H.C.R. No. 132, entitled: "HOUSE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF THE ATTORNEY GENERAL TO REVIEW CONFIDENTIALITY LAWS PERTAINING TO COURT INVOLVED, MULTI-AGENCY YOUTH," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative Keith-Agaran, for the Committee on Judiciary presented a report (Stand. Com. Rep. No. 1612) recommending that H.R. No. 242, be adopted.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the report of the Committee was adopted and H.R. No. 242, entitled: "HOUSE RESOLUTION URGING THE CITY AND COUNTY OF HONOLULU TO PROVIDE IMMUNITY FROM LIABILITY FOR NEIGHBORHOOD BOARD MEMBERS ACTING IN THEIR OFFICIAL CAPACITY OR TO ENSURE THAT NEIGHBORHOOD BOARD MEMBERS WILL BE DEFENDED," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative Keith-Agaran, for the Committee on Judiciary presented a report (Stand. Com. Rep. No. 1613) recommending that H.C.R. No. 275, be adopted.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the report of the Committee was adopted and H.C.R. No. 275, entitled: "HOUSE CONCURRENT RESOLUTION URGING THE CITY AND COUNTY OF HONOLULU TO PROVIDE IMMUNITY FROM LIABILITY FOR NEIGHBORHOOD BOARD MEMBERS ACTING IN THEIR OFFICIAL CAPACITY OR TO ENSURE THAT NEIGHBORHOOD BOARD MEMBERS WILL BE DEFENDED," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative Keith-Agaran, for the Committee on Judiciary presented a report (Stand. Com. Rep. No. 1614) recommending that H.R. No. 9, be adopted.

Representative B. Oshiro moved that the report of the Committee be adopted, and that H.R. No. 9, be adopted, seconded by Representative Evans.

Representative Ichiyama rose in support of the measure and asked that her written remarks be inserted in the Journal, and the Chair "so ordered."

Representative Ichiyama's written remarks are as follows:

"Thank you, Mr. Speaker. I rise in strong support of this resolution. Women make up more than half of Hawaii's population, including those eligible to vote. They are a significant force in Hawaii and their voices deserve to be heard.

"The results of the Patsy T. Mink PAC poll show that we need to make it easier for women to participate in political life, by recognizing their unique challenges and meeting their specific needs. For example, we can offer free childcare at our community events to help single parents attend. We can look at more ways to address the high cost of living in our State, the most important issue identified by women in the survey. Many families are

struggling to make ends meet and I challenge this Body to do better to improve their quality of living.

"We can also do a better job right here in the State Legislature, by recognizing the work of the Women's Caucus as advocates for the women in our communities. I am honored to work with my female colleagues to improve the lives of women in our State and I will continue to do so during my term in office. Thank you, Mr. Speaker."

Representative Brower rose to speak in support of the measure, stating:

"Mr. Speaker, in support. The purpose of this resolution is to request the Legislature to encourage women to take active roles in services like government. According to the Judiciary Committee Report, the Hawaii Democratic Women's Caucus submitted testimony stating that of the 10 member House Majority Leadership team, 2 are women. Of the 20 State House Standing Committees, 5 are chaired by women. Please note that 16 of 51 House Members are women.

"Mr. Speaker, this next sentence is for the ladies. I'd like to ask a gentleman who sits in this room if he would be willing to give up his position of leadership in order for a woman to assume that position. I'm speaking to of course, the Representative from Hawaii Kai.

"Right now, if he gives up his position as Minority Leader, I will relinquish my position as Committee Chair. Okay, times up.

"Mr. Speaker, the issue of gender equality is important. I would like to see more qualified women in the House. Not that there's anything wrong with the women in the House today.

"Where it gets dangerous is, in general affirmative action devalues the accomplishment of people who are chosen on the basis of their qualifications. I would like to see the Legislature help all people succeed so that everyone who wishes to partake in public service is given the same opportunities in education, work, and civic engagement. Thank you."

Representative Pine rose to speak in support of the measure, stating:

"In support, Mr. Speaker. And I just want to comment that I'm almost certain that the Minority Leader would give up his leadership position if the Representative from Waikiki gave up his seat in the House of Representatives for a woman. I'll second that motion.

"But our Caucus certainly endorses this resolution. As you know, just a term ago our Caucus had more women in its entirety, in its ratio to men than any other Caucus in the United States. So we on the Republican side, who've elected the first female Governor in the State of Hawaii, certainly appreciate this resolution."

Representative Ward rose to speak in support of the measure, stating:

"Mr. Speaker. In support. Not in retort, but in accepting the challenge. Except the Member from Waikiki must have missed last year when I was the only testosterone of all of my Caucus. The only surviving one. But I am in support of this resolution.

"This is very serious business because if you look at what's going on in the world, particularly the Islamic world, women are not even allowed to drive cars. I was in a conference in Azerbaijan and some of the women said, 'You know what? The Saudis are going to be able to drive cars in the near future,' because the economy doesn't allow all the Filipino drivers to come in and all the other stuff. There's so much discrimination against women in the world.

"USCID where I used to work, the Foreign Aid Department, actually had programs, Civil Society, to encourage women to number one, get an education and to be somebody who God has given gifts and talents to everyone that they can be. Right now, much of the world has one arm behind its back and that's because the women are not being utilized, respected, and given what otherwise this resolution says. So it's light, but it's a heavy one. Thank you."

Representative Herkes rose to speak in support of the measure, stating:

"In support, Mr. Speaker. I've already given up my leadership position at home."

Representative Ching rose, stating:

"Thank you, Mr. Speaker. I'd be remiss not to add this. I had often in the last couple terms, considered the fact that the elephant is led definitely, by the matriarchal line. Thank you."

Representative M. Lee rose to speak in support of the measure, stating:

"Mr. Speaker, just in strong support. And although we've had a lot of interesting comments, this is a serious resolution and I would like to insert written comments in strong support. Thank you."

Representative M. Lee's written remarks are as follows:

"Mr. Speaker, I rise in strong support of this measure. The needs and concerns of Hawaii's women should be attended to. The Patsy Mink Political Action Committee (founded in 2003) contacted QMark Research to conduct a quantitative study via telephone and internet surveys among full time female residents, between 18 and 44 years of age, to gain insight into motivations in terms of voting.

"27% of female residents have contacted a local politician. 26% have not received a response back from a politician. Over 60% reported having no satisfaction in reporting or inquiring. The women were articulate about not seeing their government as addressing issues that mattered to them and not seeing themselves as having any power to change that.

"When explaining and speaking about what they go through on a daily basis, the women were in tears. Women are living in areas less than desirable because of what they can afford for rent - not even including buying property. Women are also absolutely concerned with education and their child's education as well. Women are overstretched with family obligations and a tough economy.

"It is with hope that we encourage and uplift Hawaii's women by engaging them in the political process."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.R. No. 9, entitled: "HOUSE RESOLUTION RECOGNIZING THE NEED TO REACH OUT TO HAWAII WOMEN AND ENGAGE THEM IN THE POLITICAL PROCESS," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative Keith-Agaran, for the Committee on Judiciary presented a report (Stand. Com. Rep. No. 1615) recommending that H.C.R. No. 5, HD 1, as amended in HD 2, be adopted.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the report of the Committee was adopted and H.C.R. No. 5, HD 2, entitled: "HOUSE CONCURRENT RESOLUTION REQUESTING THE LEGISLATIVE REFERENCE BUREAU TO CONDUCT A STUDY TO IDENTIFY MEASURES USED TO DETERMINE WHETHER SEX OFFENDER REGISTRATION LAWS ARE ACHIEVING THEIR GOALS AND OBJECTIVES AND REQUESTING THE ATTORNEY GENERAL TO APPLY THE IDENTIFIED MEASURES TO CRIMINAL JUSTICE DATA ON REGISTERED SEX OFFENDERS IN HAWAII AND DETERMINE WHETHER HAWAII SEX OFFENDER REGISTRATION LAWS ARE BEING IMPLEMENTED IN THE WAY THEY WERE INTENDED AND ARE MEETING THEIR GOALS AND OBJECTIVES," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative McKelvey, for the Committee on Economic Revitalization & Business presented a report (Stand. Com. Rep. No. 1616) recommending that H.R. No. 252, be adopted.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the report of the Committee was adopted and H.R. No. 252, entitled: "HOUSE RESOLUTION REQUESTING COMMERCIAL GENERAL LIABILITY INSURERS TO SUBMIT PREMIUM INFORMATION TO THE LEGISLATURE," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative McKelvey, for the Committee on Economic Revitalization & Business presented a report (Stand. Com. Rep. No. 1617) recommending that H.C.R. No. 285, be adopted.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the report of the Committee was adopted and H.C.R. No. 285, entitled: "HOUSE CONCURRENT RESOLUTION REQUESTING COMMERCIAL GENERAL LIABILITY INSURERS TO SUBMIT PREMIUM INFORMATION TO THE LEGISLATURE," was adopted, with Representatives Carroll, Chong, M. Oshiro, Say and Thielen being excused.

Representative McKelvey, for the Committee on Economic Revitalization & Business presented a report (Stand. Com. Rep. No. 1618) recommending that H.R. No. 253, as amended in HD 1, be adopted.

On motion by Representative B. Oshiro, seconded by Representative Evans and carried, the report of the Committee was adopted and H.R. ANNOUNCEMENTS

Representative Herkes: "Thank you, Mr. Speaker. Mr. Speaker, I just want to thank all of you for the support that you gave at the breakfast yesterday morning. We had over 70 people. The individual that we flew in from Kona that saw all of the destruction from a canoe, he got very emotional about it, along with many of us listening to him. It was quite an experience. The speaker's ability to sing brought us another \$200.

"As of this moment, it looks like we have raised between \$20,000 and \$25,000 for Red Cross of Hawaii. Thank you all."

Representative Nakashima: "Thank you, Mr. Speaker. In honor of National Jazz Month, the 32-member Honokaa Jazz Band from the Big Island is scheduled to be on a Big Island City Tour of Oahu with several performances and appearances from today through the 17th. They will open tomorrow for the Royal Hawaiian Band on the grounds of the Iolani Palace beginning at 11:10. So if anybody needs to be put into the proper frame of mind before session tomorrow, please join me at Iolani Palace.

"The Honokaa Jazz Band is a pride and joy of Honokaa High School. Last year, the music program was selected by the National Association of Music Merchant Foundations for its outstanding music program and commitment to music education. Honokaa is also a recipient of the prestigious 2011 Grammy Signature Schools Enterprise Award, and Band Director Gary Washburn recently received the 2011 Claes Nobel Educator of Distinction Award from the National Society of High School Scholars.

"On a side note, they will be at Dot's in Wahiawa this evening at 7:00, so if anybody would like to join me, I will be out there. Thank you, very much."
