HOUSE OF REPRESENTATIVES
TWENTY-SIXTH LEGISLATURE, 2012
STATE OF HAWAIIH.B. NO. 1953
H.D. 1
S.D. 1
C.D. 1

A BILL FOR AN ACT

RELATING TO EMERGENCY MEDICAL CARE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that until recently,
2 Hawaii Medical Center's two hospitals in Ewa Beach and Liliha
3 provided comprehensive medical services to almost two hundred
4 thousand residents. In addition, the two hospitals operated
5 some of the most-frequently used emergency rooms in the State.
6 However, in December 2011, the Hawaii Medical Center's hospitals
7 closed due to bankruptcy. Along with the closing of all of the
8 hospitals' programs including their emergency rooms and the
9 State's only organ transplant program, hundreds of patients were
10 either discharged or transferred to other health care facilities
11 in the State.

12 The legislature also finds that, with the closure of the
13 Hawaii Medical Center hospitals, access to emergency medical
14 care is in jeopardy. A greater burden is now placed on the city
15 and county of Honolulu emergency medical services division to
16 respond to emergency calls on the Leeward Coast and transport
17 patients to emergency rooms elsewhere on Oahu. This increased

1 workload threatens the ability of the division to provide
2 acceptable levels of emergency medical services to communities
3 on the Leeward Coast.

4 The purpose of this Act is to appropriate general funds to
5 the department of health to assist the city and county of
6 Honolulu emergency medical services division with expanding
7 emergency medical services and ambulance services in communities
8 in Leeward Oahu.

9 SECTION 2. There is appropriated out of the general
10 revenues of the State of Hawaii the sum of \$1,000,000 or so much
11 thereof as may be necessary for fiscal year 2012-2013 for the
12 purposes of increasing the on-call availability of emergency
13 medical services and ambulance services:

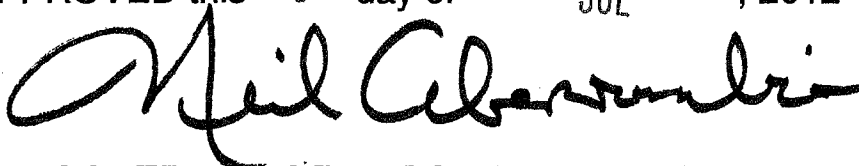

14 (1) In Ewa Beach to sixteen hours per day; and

15 (2) In Nanakuli to twenty-four hours per day.

16 The sum appropriated shall be expended by the department of
17 health for the purposes of this Act.

18 SECTION 3. This Act shall take effect on July 1, 2012.

APPROVED this 6 day of JUL , 2012

GOVERNOR OF THE STATE OF HAWAII
