A BILL FOR AN ACT

RELATING TO HEALTH INSURANCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

- SECTION 1. The legislature finds that the medicaid program
 is fraught with waste, fraud, and abuse. According to a study
 report of the United States Government Accountability Office,
- 4 "Medicare and Medicaid Fraud, Waste, and Abuse" (March 9, 2011),
- 5 "Fraud, waste, and abuse and improper payments put programs at
- 6 risk. An improper payment is any payment that should not have
- 7 been made or that was made in an incorrect amount (including
- 8 overpayments and underpayments) under statutory, contractual,
- 9 administrative, or other legally applicable requirements.
- $10\,$ We have designated both Medicare and Medicaid as high-risk
- 11 programs." The United States Government Accountability Office
- 12 found an urgency to implement strategies to reduce fraud, waste,
- 13 abuse, and improper payments and included certain strategies in
- 14 its report.
- 15 The purpose of this Act is to implement some of the
- 16 strategies recommended by the Government Accountability Office
- 17 by:

1	(1)	Improving program integrity for medicaid and its	
2		children's health insurance program;	
3	(2)	Creating efficiencies and cost savings by shifting	
4		from a retrospective "pay and chase" model to a	
5		prospective pre-payment model; and	
6	(3)	Complying with program integrity provisions of the	
7		federal Patient Protection and Affordable Care Act and	
8		the Health Care and Education Reconciliation Act of	
9		2010.	
10	SECTION 2. This Act shall apply to the medicaid adult and		
11	children's health insurance programs, as referenced in section		
12	435H-7, Hawaii Revised Statutes, and to the QUEST program, as		
13	referenced in section 103F-402, Hawaii Revised Statutes.		
14	SECT	ION 3. The department of human services shall	
15	establish a provider data verification and provider screening		
16	technology system to verify billings to the medicaid adult and		
17	children's health insurance programs and QUEST program against		
18	current p	rovider information database. The provider data	
19	verification and provider screening technology systems shall be		
20	used to:		
21	(1)	Delete the names of deceased providers from the

1
         (2)
              Identify sanctioned providers;
2
              Note professional license expirations;
         (3)
3
              Identify retired providers; and
         (4)
4
         (5)
              Confirm current addresses of providers.
5
         SECTION 4.
                     The department of human services shall
6
    implement state-of-the-art clinical code editing technology
    solutions to further automate claims resolution and enhance cost
7
8
    containment through improved claim accuracy and appropriate code
9
    correction.
                 The technology shall identify and prevent errors or
10
    potential overbilling based on widely accepted and transparent
11
    protocols, such as protocols of the American Medical Association
12
    and the Centers for Medicare and Medicaid Services. The edits
13
    shall be applied automatically before claims are adjudicated to
14
    ensure a smoother, more consistent, and more transparent
15
    adjudication process and fewer delays in provider reimbursement
16
    by expediting the processing of claims and reducing the number
17
    of pending or rejected claims.
18
         SECTION 5. The department of human services shall
19
    implement state-of-the-art predictive modeling and analytics
20
    technologies to provide a more comprehensive and accurate view
21
    across all providers, beneficiaries, and geographies within the
```

1	medicaid	and children's health insurance programs and QUEST
2	program t	o:
3	(1)	Identify and analyze those billing or utilization
4		patterns that represent a high risk of fraudulent
5		activity;
6	(2)	Integrate changes into the existing medicaid and
7		children's health insurance programs and QUEST program
8		workflow;
9	(3)	Undertake and automate analyses before payment is made
10		to minimize disruptions to the workflow and speed
11		claim resolution;
12	(4)	Prioritize identified transactions for additional
13		review before payment is made, based on likelihood of
14		potential waste, fraud, or abuse;
15	(5)	Capture outcome information from adjudicated claims to
16		allow for refinement and enhancement of the predictive
17		analytics technologies based on historical data and
18		algorithms within the system; and
19	(6)	Prevent the payment of claims for reimbursement that
20		have been identified as potentially wasteful,
21		fraudulent, or abusive until the claims have been
22		automatically verified as valid.

1 SECTION 6. The department of human services shall 2 implement fraud investigative services that combine 3 retrospective claims analysis and prospective waste, fraud or 4 abuse detection techniques. These services shall include 5 analysis of historical claims data, medical records, provider 6 databases, and high-risk identification lists, as well as direct 7 patient and provider interviews. Emphasis shall be placed on 8 providing education to providers and ensuring that providers 9 have the opportunity to review and correct any problems 10 identified prior to adjudication. 11 The department of human services shall SECTION 7. (a) 12 implement claims audit and recovery services for the medicaid and children's health insurance programs and QUEST program to: 13 14 Identify improper payments due to non-fraudulent (1)15 issues of payments; 16 (2) Audit claims; 17 (3) Obtain provider sign-off on the audit results; and 18 (4) Recover validated overpayments. 19 (b) The claims audit and recovery services shall include 20 post payment reviews to ensure that the diagnoses and procedure

codes are accurate and valid based on the supporting physician

1	documentation within the medical records. Core categories of
2	reviews could include:
3	(1) Coding compliance diagnosis related group reviews;
4	(2) Patient reviews, transfers, and readmissions;
5	(3) Cost outlier reviews;
6	(4) Outpatient seventy-two hour rule reviews; and
7	(5) Billing and payment errors, and other related errors.
8	SECTION 8. (a) The department of human services shall
9	procure services under chapter 103D, Hawaii Revised Statutes, to
10	implement and administer this Act.
11	(b) The department of humans services shall provide the
12	contractor awarded the procurement pursuant to subsection (a)
13	with appropriate access to claims and other data as necessary
14	for the entity to carry out the functions included in this Act.
15	The data shall include:
16	(1) Current and historical claims data concerning medicaid
17	and children's health insurance programs and the QUEST
18	program; and
19	(2) Medicaid adult and children's health insurance
20	programs and QUEST program provider database
21	information.

S.B. NO. 2407

1	SECTION 9. The department of humans services shall report		
2	to the legislature no later than twenty days prior to the		
3	convening of the:		
4	(1) Regular session of 2014 on the status of		
5	implementation of this Act; and		
6	(2) Regular Session of 2015 on the final status of		
7	implementation of the required procedures and programs		
8	under this Act, including information such as		
9	projected and actual cost savings due to any other		
10	positive or negative effects of the implementation of		
11	this Act.		
12	SECTION 10. It is the intent of the legislature that the		
13	savings achieved through this Act shall more than cover the		
14	costs of implementation. To the extent possible, technology		
15	services used in carrying out this Act shall be secured using a		
16	shared savings model, in which the State's only direct cost will		
17	be a percentage of actual savings achieved. To enable this		
18	model, a percentage of achieved savings may be used to fund		
19	expenditures of the department of human services for purposes o		
20	implementing this Act.		
21	SECTION 11. If any provision of this Act, or the		
22	application thereof to any person or circumstance, is held		

- 1 invalid, the invalidity does not affect other provisions or
- 2 applications of the Act that can be given effect without the
- 3 invalid provision or application, and to this end the provisions
- 4 of this Act are severable.
- 5 SECTION 12. This Act shall take effect upon its approval.
