A BILL FOR AN ACT

RELATING TO ANIMAL CRUELTY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that it is important to 2 protect pet animals from cruel treatment and prevent pet animals 3 from unnecessary or prolonged suffering. Steel-jawed leg-hold 4 traps were originally designed to capture fur-bearing animals 5 such as bears, fox, beavers, and other animals that are not present in Hawaii. Snares and foot- or leg-hold traps were 6 7 designed to capture other non-domesticated animals. 8 Unfortunately, domesticated pet animals are frequent 9 victims of snares and may also become victims of steel-jawed 10 leg-hold, conibear, or foot- or leg-hold traps. Cases have been 11 reported of dogs and cats found dead or severely injured after 12 being caught in these devices, or chewing off their own limbs in 13 an attempt to escape these devices.

The legislature further finds that existing laws and administrative rules do not prohibit or regulate the use of steel-jawed leg-hold, conibear, foot- or leg-hold traps or snares, all of which can be easily purchased on the Internet.
