S.B. NO. 2645

A BILL FOR AN ACT

RELATING TO PUBLIC UTILITIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that for farmers and
2 ranchers to remain competitive and self-sustaining, the State
3 must provide incentives and mechanisms to ensure that all means
4 of supporting the local agriculture industry are implemented.
5 The public utilities commission regulates the rates charged for
6 public utilities that provide essential services to the
7 agriculture industry such as water, interisland shipping, and
8 electricity.

9 The purpose of this Act is to provide for preferential
10 rates for public utility services provided to ratepayers engaged
11 in agricultural activities.

12 SECTION 2. Section 269-26.5, Hawaii Revised Statutes, is
13 amended to read as follows:

14 "~~[-]~~§269-26.5~~[+]~~ **Preferential ~~[water]~~ public utility rates**
15 **for agricultural activities.** (a) It is the policy of the State
16 to promote the long-term viability of agriculture by
17 establishing mechanisms that provide for preferential rates for
18 ~~[potable water for]~~ public utility services that are provided to

1 ratepayers that engage in agricultural activities. The public
2 utilities commission shall have the authority to establish
3 preferential rates for [~~potable water~~] public utilities services
4 that are used by ratepayers for agricultural activities in a
5 public utility's service area.

6 (b) Upon receipt of a bona fide request for preferential
7 rates for [~~potable water~~] any public utility service to be used
8 for agricultural activities[~~7~~] on lands within an agricultural
9 district, and proof that the customer engages in agricultural
10 activities[~~7~~] on lands within an agricultural district, a public
11 utility shall provide proposed preferential rates for [~~potable~~
12 ~~water~~] the requested public utility service, including but not
13 limited to potable water, electricity, and freight transport, to
14 be used only for qualified agricultural activities subject to
15 the public utilities commission for approval. All such rates
16 approved by the public utilities commission shall be subsidized
17 by the [~~potable water~~] rates charged to other customers of the
18 public utility, if required, as determined by the public
19 utilities commission. In reviewing the proposed preferential
20 rates, the public utilities commission, in consultation with the
21 department of agriculture, may establish additional criteria to
22 qualify bona fide agribusinesses for [~~water~~] public utility

1 services used solely for agricultural activities [~~For rate~~
2 ~~cases initiated pursuant to this section, the public utilities~~
3 ~~commission shall allow the recovery of any reasonable~~
4 ~~unamortized costs incurred by the public utility in its previous~~
5 ~~rate case, provided however, upon full amortization of these~~
6 ~~costs, rates shall be adjusted accordingly.] on lands within an
7 agricultural district."~~

8 SECTION 3. Statutory material to be repealed is bracketed
9 and stricken. New statutory material is underscored.

10 SECTION 4. This Act shall take effect on January 1, 2013.
