

S.B. NO. 2804

JAN 25 2012

A BILL FOR AN ACT

RELATING TO THE HAWAII INTERAGENCY COUNCIL ON HOMELESSNESS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that homelessness is a
2 complex and multifaceted issue requiring planning, coordination,
3 implementation, and funding across federal, state, local,
4 business, and community lines. Locally, many government
5 agencies, nonprofit organizations, and other private sector
6 organizations have worked diligently and successfully to assist
7 those who are homeless. Yet, Hawaii has experienced an increase
8 in the number of homeless individuals and families.

9 According to 2009 data, Hawaii has twice as many people who
10 are homeless per 100,000 people as the national average. The
11 2011 State-wide Point in Time Count indicated a six per cent
12 increase in homelessness throughout the State. Further, 2010
13 data indicate that almost one third of the sheltered homeless
14 are children; more than ten per cent are veterans; over sixty
15 per cent have lived in Hawaii for more than ten years; almost
16 half of the families who are homeless include someone who is
17 employed; and almost thirty per cent are Hawaiian or part

1 Hawaiian; thus, showing that there is no single profile of
2 someone who is homeless.

3 In January 2011, the governor of the State of Hawaii
4 pronouncing the elimination of homelessness a "moral
5 imperative", appointed the first governor's coordinator on
6 homelessness, to lead the effort to prevent and eliminate
7 homelessness in Hawaii through the use of strategic approaches,
8 structural changes, and unprecedented collaborative and civic
9 involvement.

10 On March 4, 2011, the governor of the State of Hawaii
11 hosted with the United States Department of Veterans Affairs, an
12 interagency leadership forum on homelessness attended by leaders
13 from government, business, the community, and the faith
14 community, to advocate for the development of a collaborative
15 strategy to end homelessness in Hawaii.

16 On June 22, 2010, the United States Interagency Council on
17 Homelessness, comprised of nineteen Cabinet Secretaries and
18 agency heads, released "*Opening Doors: Federal Strategic Plan to*
19 *Prevent and End Homelessness*", the nation's first comprehensive
20 strategic plan to prevent and end homelessness.

21 "*Opening Doors*" identified the following four ambitious
22 goals of finishing the job of ending chronic homelessness in

1 five years; preventing and ending homelessness among veterans in
2 five years; preventing and ending homelessness for families,
3 youth, and children in ten years; and setting a path to ending
4 all types of homelessness.

5 The governor of Hawaii has found it to be imperative and in
6 the public interest to capitalize on the opportunities and
7 momentum generated by the United States Interagency Council on
8 Homelessness, to provide leadership for the prevention and
9 elimination of homelessness, and to keep Hawaii at the forefront
10 of providing care to its residents in the spirit of the Law of
11 the Splintered Paddle (Ke Kānāwai Mamalahoe), Hawaii State
12 Constitution, Article IX, Section 10.

13 Consequently, on July 19, 2011, Governor Neil Abercrombie,
14 through the issuance of Executive Order No. 11-21, pursuant to
15 the provisions of section 26-41, Hawaii Revised Statutes,
16 temporarily established the Hawaii interagency council on
17 homelessness.

18 The purpose of this Act is to establish the Hawaii
19 interagency council on homelessness by statute, which will
20 further enhance the ability of the council to provide solutions
21 for ending homelessness in Hawaii. By establishing the
22 interagency council on homelessness by statute the importance of

1 ending homelessness will be highlighted and continuity through
2 administrations is strengthened.
