HB 2690
Status

RELATING TO GEOTHERMAL RESOURCES.
Differentiates between "geothermal resources exploration" and "geothermal resources development" for purposes of mining leases and exploration permits. Designates "geothermal resources exploration" and "geothermal resources development" as permitted uses in all state land use districts and conservation district zones. Repeals geothermal resource subzone provisions under state land use law. Exempts geothermal resources exploration from environmental assessment and environmental impact statement requirement.
