Representative McKelvey rose in support of the measure and asked that his written remarks be inserted in the Journal, and the Chair "so ordered."

Representative McKelvey's written remarks are as follows:

"A trip to Hana is said to revitalize many local residents from the city life on the other side of the Island. The natural beauty of the Hana District takes you back in time and gives you an idea of what the rest of Maui was like 30 years ago. Isolated and unspoiled: Hana is often referred to as Maui's "Last Hawaiian Place."

"Untouched by the major developments of the other side of the Island, the Hana community has managed to perpetuate the small town atmosphere, Hawaiian culture and most of all, its natural scenic beauty to such a degree that it makes the entire State of Hawaii a worldwide destination. However, its isolation comes with some obstacles. The Hana District has one of the poorest health profiles in Hawaii and is federally designated as a medically underserved community.

"Hana Health is a federally qualified health center that provides health care services to the people of the Hana District, regardless of their ability to pay. They operate on leased land from the State. The Department of Land and Natural Resources has interpreted the use provision in Hana Health's land lease to prohibit income generating activities and certain ancillary programs offered by Hana Health. The Department of Land and Natural Resources' restrictive interpretation of Hana Health's land Lease is not supported by the language, Hana Health's articles of incorporation, or State or federal law.

"The mission of Hana Health is to improve the health and wellness of the Moku (district ) of Hana, Maui, particularly among Native Hawaiians and those who are underserved due to financial, cultural and geographic barriers. The Department of Land and Natural Resources' interpretation of the land lease inhibits Hana Health's efforts to become self-sustaining and less reliant on public funds. I find that it is in the best interest of the State that the Department of Land and Natural Resources is requested to expand its interpretation of the use provision in Hana Health's land lease to include income generating activities and ancillary programs as permissible uses."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.C.R. No. 168, entitled: "HOUSE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF LAND AND NATURAL RESOURCES TO EXPAND ITS INTERPRETATION OF THE USE PROVISION IN HANA HEALTH'S LAND LEASE," was referred to the Committee on Finance, with Representatives Cabanilla, Carroll, Mizuno and Thielen being excused.

Particularly through the St. Luke's Episcopal Church, and the Korean Christian Church. They were very important to Dr. Syngman Rhee, a great leader. Thank you."

Representative Ching's written remarks are as follows:

"Thank you, Mr. Speaker. I stand in strong support of H.C.R. 50 which appropriately signifies the legacy of Dr. Syngman Rhee, the Harvard graduate is known for being a staunch advocate of free and open elections and led early Korean movements for freedom from foreign occupying forces. His political manifesto "The Spirit of the Manifesto" was well regarded as the Korean bible of independence. Rhee's work and steadfast political movements saw his imminent exile to Hawaii as his talk of independence that betrothed Koreans put his life in danger. It is largely because of Rhee and his activism in Hawaii that Korea eventually staved off communism and drudgery and became one the most prosperous nations in all of Asia. Similarly, it is largely because of President Abraham Lincoln, a founding father of the Republican Party that all Americans enjoy freedom.

"However, for years now I have conveyed his importance to Korean history, as well as that of the Korean Christian Church numerous times on my Heritage Tours. It has been my belief that the Korean Christian

Church equally deserves such recognition. In fact, our office drafted a comparable resolution for the Korean Christian Church this session. Unfortunately due to the newly-imposed five resolutions limit, we were unable to submit the measure. Both the Korean Christian Institute and the Korean Christian Church, founded by Rhee, are exemplary of the foundation left by Rhee and the Koreans. It is my hope that the Korean Christian Church will be honored as well when the time comes. Thank you."

Representative Chong moved that the report of the Committee be adopted, and that S.B. No. 2398, SD 2, HD 1, pass Third Reading, seconded by Representative Evans.

Representative Ward rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, with reservations on Stand. Com. Rep. No. 1509, regarding tattooing. Mr. Speaker, this measure started out as a very simple thing regarding exhibitions, and events, and things like at the NBC. And then it morphed into something that, we're trying to make doctors out of tattoo artists. They have to learn how to check for blood pathogens and take educational credits, which goes above and beyond what the intention was. And then it became a task force.

"My own sense is the task force is probably where this thing should begin and not be so overly regulatory of what otherwise is, according to those who give testimony, are very articulate, very responsible, very professional tattoo individuals, contrary to the stereotype.

"So I think this bill needs to go to Committee and kind of boil itself down and get away from so many things that it's trying to do, particularly in trying to make doctors out of these guys. Thank you."

Representative M. Lee rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Marumoto rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, I have some reservations on this particular measure and would like to relay them. The bill will restrict the sale of tattoo supplies and require a blood-borne pathogen test as a prerequisite for tattoo licensure. It would also prohibit tattoo trade shows until the adoption of rules by the Department of Health. It would prohibit body piercing or body modifications as product or educational demonstration.

"The bill will delete a \$500 non-refundable permit fee for an event featuring not more than 40 participating tattoo artists, apparently since tradeshow will be prohibited. And then establish the tattoo artist task force. I fear that this will be a real imposition on small business, since it will apply to all tattoo artists in the State, and out of the State.

"It places burdensome requirements on small business. Although the good part about it is, they may catch some hepatitis C issues. But on the other hand, the Department of Health said this bill would require resources and expertise currently unavailable to the Department. The Department of Health said it currently deals with over 100 tattoo shops in the State and many of these shops have standards even stricter than what's currently required.

"The industry does not need further regulation. In fact, the Department of Health said that it considered doing away with all regulation of the tattoo industry. They said they have had no incidences of hepatitis C. The Department of Health is opposed to this measure due to fiscal and resource constraints. So I think whoever the Conferees of this particular bill may be, they should consider, and take a close look at all these provisions. Thank you."

Representative Awana rose in support of the measure with reservations and asked that the remarks of Representative Marumoto be entered into the Journal as her own, and the Chair "so ordered." (By reference only.)

Representative Pine rose in support of the measure with reservations and asked that the remarks of Representative Marumoto be entered into the Journal as her own, and the Chair "so ordered." (By reference only.)

Representative Riviere rose and asked that the Clerk record an aye vote with reservations for him, and the Chair "so ordered."

Representative Fontaine rose and asked that the Clerk record an aye vote with reservations for him, and the Chair "so ordered."

Representative Yamane rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. I'm standing in support with brief comments. Mr. Speaker, this measure before us has been a work in progress. Those people who have been involved in the process as it has moved forward need to also note the fact that there are tattoo artists who have currently provided testimony requesting that this Legislature look at instituting new regulations, to ensure the health and safety for themselves, their customers, and the public at large.

"Mr. Speaker, there has been testimony, and we've met with many of them, who've talked about the need to have the Department of Health provide appropriate regulations to enhance and protect the tattoo artists, as well as their profession.

"Mr. Speaker, no one can deny that an ongoing issue of blood-borne pathogen disease spreading, like hepatitis B, hepatitis C, and HIV is an ongoing issue, especially in professions like tattoo artists in which you are dealing with potential blood exposure. Mr. Speaker, this measure was designed to try to work with tattoo artists to make sure that their profession is not only regulated appropriately, but supported so that it can continue its advancement.

"Mr. Speaker, this House, this Chamber has included in its many discussions, sensitivity to the Hawaiian culture-based tattoo artists, as well as those from other cultures, maybe from the Samoan culture. So, Mr. Speaker, this measure is intended to help make sure that not only the tattoo artists, but the customers are not only safe, but we can continue to promote and enhance this art. Thank you, Mr. Speaker."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and S.B. No. 2398, SD 2, HD 1, entitled: "A BILL FOR AN ACT RELATING TO TATTOO ARTISTS," passed Third Reading by a vote of 48 ayes, with Representatives Carroll, Mizuno and Thielen being excused.

### ANNOUNCEMENTS

Representative Brower: "Mr. Speaker, it is my semi-honor to announce the birthday of a gentle ... rather a person, in this Chamber. Someone who thinks he is for the ladies. I have three clues on his identity. Number one, this poster boy for reapportionment has a legacy bill about green cleaning supplies in schools. Number two, his wardrobe has more pink than Hello Kitty's. And number three, his eyebrows are equally proportioned because he gives them a Brazilian wax. Although we really should be honoring his girlfriend Debbie, for what she must go through. Members, let's recognize a dear friend. It's the birthday of Representative Nishimoto."

Representative Jordan: "Thank you, Mr. Speaker. I hate to come before you again, Mr. Speaker. But this morning, or late, late last evening, we lost a great *kumu hula*. O'Brian Eselu passed away, and at the appropriate time, can we have a moment of silence. I've known this gentleman for most of my adult life. He was a great treasure to our Waianae Coast, not only for being an award winner at the Na Hoku Hanohano and at the Merrie Monarch. I really appreciate the moment of silence. Thank you."

Representative M. Lee: "Mr. Speaker, if I could just remind the Members that on Thursday, the IHS will be picking up the Easter baskets at 2:00 p.m. You can deliver them to my office, or they can be taken directly downstairs before 2:00 on Thursday. Thank you."

Representative Ching: "Thank you, Mr. Speaker. I just wanted to remind everyone that today we'll be having a special fundraiser for the Hawaii Foodbank. The Chocolate Café, starts in about 20 minutes until 4:00. It'll be serving North Shore chocolate fondue with a lot of our local fruit, organic fruit, and we hope that you'll come and support the Foodbank. Thank you."

Representative Tokioka: "Thank you, Mr. Speaker. On behalf of the Bizarre Representative ... I'm sorry. I mean, the Bizarre Bazaar, and the Representative from Upcountry Maui, we want to thank everyone who participated in the Bizarre Bazaar yesterday. We know that the Maui Food Bank and the Kauai Independent Food Bank will be very thankful. Thank you, Mr. Speaker."

At this time, the Members of the House of Representatives stood for a moment of silence in honor of the late cultural treasure and *kumu hula* Mr. O'Brian Eselu.
