Comments:

I submitted my support testimony for HB1170, and did not receive a confirmation that it was received. So for the record, I, Frances Pueo, support HB1170, which is to protect dogs, cats and horses from Human consumption and trafficking. I remember some 15-20 years ago, on Oahu two neighbors were feuding, it resulted that one caught the others pet dog, killed and then ate it. He then bragged on what he did. The pet owner retaliated (because there were no animal cruelty laws) by shooting this person in the face. Please pass HB1170, as it protects dogs, cats, horses as many of us care deeply for them with love as a companion, as a best friend, and/or family member.
