Aloha Friends and Neighbors,

First of all, I would like to thank everyone for giving me the opportunity to represent District 41 in the Hawaii State House of Representatives. I am humbled by your continued support and it is my honor to serve our community. As the 26th legislative session comes to an end, we are working in our respected conference committees with the Senate at the moment. I would like to offer you these highlights about the events this office has been participating within the community.

Community Events:

Village Park Easter Egg Hunt:

Easter is all about enjoying your day with your family and friends. During the Annual Village of Park Easter Egg Hunt held on April 7, 2012 the Lifehouse Outreach program collected can food donations for our needy families. I would like to thank the Village Park association for the planning and organizing this event.

Waipahu Intermediate:

Along with several Leeward District Middle Schools, The Waipahu Intermediate Students competed in the 2nd annual Leeward Middle School Science and Engineering Fair, held on Feb.11, 2012. With guidance of Mrs. Yagi, these students have excelled in the General Learning Outcomes (GLOs) by completing outstanding projects. **Congratulations Waipahu Intermediate!**

Read aloud at Waikele Elementary:

In efforts to promote the importance of reading and language arts, I visited the six graders at Waikele Elementary and read “Wolf’s Chicken Stew” by Keiko Kasza. This is a fun story and the students enjoyed the unexpected outcome of the story. This book has a great lesson about how appreciation and kindness can positively affect things. I definitely recommend it for all ages.

Legislative National Guard Day:

The Hawaii State Legislature is always proud to support the fine men and women who serve and defend our state and country. On April 11, 2012, the committee of Public Safety and Military Affairs, of which I am the Vice Chair, hosted the Legislative National Guard Day at the state capitol. Members of the National Guard brought military static displays and informational booths.

Announcements and Upcoming Events:
