Aloha Friends and Neighbors,

First of all, I would like to wish you a Happy Thanksgiving and enjoyable upcoming holiday season. I also want to thank everyone for the continued support as your district Representative. I am humbled by your continued support and it is my honor to serve our community. I continue to use the interim to learn and prepare for the upcoming 2012 legislative session. I would like to offer you these highlights about the events this office has been participating within the community.

### **DISTRICT EVENTS**

On Saturday, October 29<sup>th</sup> 2011, we took part in a Beautification Day at Kaleiupu'u Elementary School. We spent the day cleaning around the school and repainting the parking lot. During the day we spent time with the faculty, parents and students whom took part in the Clean-up. I would like to thank those who participated with the event. They showed such a great appreciation for our kids in the community and our school.

On November 2nd, 2011 teachers from Waipahu Highschool brought their students to Honowai Elementry to teach them a hands on approach to science and technology. It prepares the 4<sup>th</sup> graders for the state's assessment test. Watching the students participate made learning so much fun and it held their attention the whole time.

On November 8<sup>th</sup>, 2011 I was back at Honowai Elementry, for Hawaii's Legislators Back-to-School (BTS) program. I participated and spoke to Ms. Williams 5<sup>th</sup> Grade class on the legislative process and the things we do for the state. We also played a game and tried to make a decision on what makes the best chocolate chip cookie.
