#### Agenda Item III: Draft FYs 2014-2015 Overall Work Program (OWP), **Addition of Farrington Highway Realignment Feasibility Study**

Wednesday, April 10, 2013  
City Council Committee Meeting Room

Aloha , Chair Breene Harimoto,

I write in **support** of adding the proposed **Farrington Highway Realignment Feasibility Study** to the Draft FYs 2014-2015 Overall Work Program (OWP).

With the Policy Committee's support and inclusion of the Farrington Highway Realignment Feasibility Study in the Draft FYs 2014-2015 Overall Work Program (OWP) it will greatly help by providing an opportunity to gather important information to move forward the long community desired Makaha Beach Park Master Plan, which was developed by the City and County of Honolulu Department of Parks and Recreation Department in 1997.

Sincerely,

Jo Jordan, Representative  
44<sup>th</sup> District  
Waianae, Makaha, Makua, Maili
