STAND. COM. REP. NO. 746 Honolulu, Hawaii , 2013 Ebruary 8 H.B. No. 120 RE: H.D. 1

Honorable Joseph M. Souki Speaker, House of Representatives Twenty-Seventh State Legislature Regular Session of 2013 State of Hawaii

Sir:

.

Your Committees on Health and Human Services, to which was referred H.B. No. 120 entitled:

"A BILL FOR AN ACT RELATING TO HEALTH,"

beg leave to report as follows:

The purpose of this measure is to enhance public access to information about the quality of care of state-licensed and certain other facilities by requiring the Department of Health and the Department of Human Services to post on their respective websites electronic copies of reports for all inspections they perform of facilities in which violations are discovered.

The State Council on Developmental Disabilities, Office of the Long Term Care Ombudsman, ILWU Local 142, Kokua Council, and several concerned individuals supported this measure. A concerned individual opposed this bill. The Department of Health, Department of Human Services, and a concerned individual submitted comments.

Your Committees note the compelling testimonies from various testifiers who seek greater transparency and access to information about the quality of care and conditions of state-licensed and other facilities in making health care decisions. While your Committees recognize the public's right to access information about the conditions of these facilities, your Committees believe that the electronic posting of such data must be reliable and accurate and reflect fairness in the information disseminated.
