

Honolulu, Hawaii

FEB 15 2013

RE: S.B. No. 1002
S.D. 1

Honorable Donna Mercado Kim
President of the Senate
Twenty-Seventh State Legislature
Regular Session of 2013
State of Hawaii

Madam:

Your Committee on Economic Development, Government Operations
and Housing, to which was referred S.B. No. 1002 entitled:

"A BILL FOR AN ACT RELATING TO KAPOLEI RECREATIONAL SPORTS
COMPLEX,"

begs leave to report as follows:

The purpose and intent of this measure is to make
housekeeping amendments to delete references to the Kapolei
Recreational Sports Complex from the Stadium Authority's statutory
purview.

Your Committee received testimony in support of this measure
from the Department of Accounting and General Services and Stadium
Authority.

Your Committee finds that under existing law, the Stadium
Authority is responsible for the maintenance, operation,
management, and promotion of the Kapolei Recreational Sports
Complex. However, in October 2006, the property on which the
Kapolei Recreational Sports Complex was originally planned to be
built was transferred to the Department of Hawaiian Home Lands.
Subsequently, the Department negotiated a lease with a development
firm to construct a mixed use regional shopping center that is
scheduled to break ground in 2013. This measure deletes statutory
requirements for the Stadium Authority to submit an annual special
fund report and its responsibilities relating to the Kapolei
Recreational Sports Complex, as these requirements are obsolete.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Economic Development, Government Operations and Housing that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 1002, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 1002, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Economic
Development, Government
Operations and Housing,

DONOVAN M. DELA CRUZ, Chair
