STAND. COM. REP. NO. **546**

Honolulu, Hawaii

FEB 2 8 2013

RE: S.B. No. 1138

Honorable Donna Mercado Kim
President of the Senate
Twenty-Seventh State Legislature
Regular Session of 2013
State of Hawaii

Madam:

Your Committees on Health and Education, to which was
referred S.B. No. 1138 entitled:

"A BILL FOR AN ACT RELATING TO VACCINATION GUIDELINES,"

beg leave to report as follows:

The purpose and intent of this measure is to authorize the
Department of Health to adopt, amend, or repeal rules to establish
a list of specific vaccines and to adopt, amend, or repeal, as
rules, the immunization recommendations of the United States
Department of Health and Human Services, Advisory Committee on
Immunization Practices, as they apply to the list of specific
vaccines, ensuring that immunizations required, and the manner and
frequency of their administration, conform with currently
recognized standard medical practices.

Your Committees received testimony in support of this measure
from the Department of Health, Hawaii Medical Association, Hawaii
Academy of Physician Assistants, Walgreens, National Council of
Asian Pacific Islander Physicians, and Hawaii Immunization
Coalition. Your Committees received testimony in opposition to
this measure from two individuals.

Your Committees find that according to the Centers for
Disease Control and Prevention, vaccines are a safe, efficient,
and cost-effective way to protect against vaccine-preventable
diseases. Vaccinating a population saves health care dollars and
assists each year in preventing millions of cases of vaccine-
preventable diseases nationwide. This measure will allow the
Department of Health the flexibility to adopt nationally accepted

standards of practice with regard to vaccines and will help accomplish the adequate administration of vaccines to meet an important public health need.

As affirmed by the records of votes of the members of your Committees on Health and Education that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 1138 and recommend that it pass Second Reading and be placed on the calendar for Third Reading.

Respectfully submitted on behalf of the members of the Committees on Health and Education,
