Governor Neil Abercrombie Hawaii State Capitol Honolulu, HI 96813

Dear Governor Abercrombie,

I'm writing on behalf of the Hawaii Dental Association Board of Trustees and the 970 members of the Hawaii Dental Association and wish to recommend the confirmation of Staphe Fujimoto, DDS, to the Hawaii State Board of Dental Examiners.

Dr. Fujimoto has had a dental practice in Mililani since 1985 and is a member in good standing of the American Dental Association, the Hawaii Dental Association, and the Honolulu County Dental Society. He has volunteered on committees and served as both a Trustee and Secretary of the Hawaii Dental Association Board of Trustees.

He is active in the community and has long been a member of the Mililani Sunrise Rotary Club. He has enjoyed coaching youth baseball in the Cal Ripken Leagues as well.

Dr. Fujimoto is passionate about dentistry and will do well serving on the Board that oversees dentistry in our state. The Hawaii Dental Association gives its utmost support for his confirmation.

Sincer

Curt S. Shimizu, DDS President

### STATEMENT OF STAPHE FUJIMOTO

(1) Why do you wish to be a member of the Board of Dental Examiners?

I want to take an active and responsible role in protecting the public's health by enforcing the standards of Dental Care in Hawaii.

(2) How do you perceive the role and responsibilities of a member of the Board of Dental Examiners?

I believe an important role is to ensure that those applying for licensure as a dentist or dental hygienist have acceptable education and training to safely practice in the State of Hawaii.

(3) Given your understanding of the role and responsibilities as a member of the Board, why do you believe that you are qualified for the position? Please include a brief statement of your skills, expertise or knowledge that would aid in your decision-making ability as a member of the Board.

I have been a practicing dentist in Mililani since 1988 and have always practiced with the belief that you treat your patients as you would a family member. I believe that each practitioner should always strive to provide service above the standard of care and we need to seek and identify those that fall below the accepted standard of our profession.

(4) What do you hope to accomplish during your term of service?

I hope to be a proactive member of the board and serve to the best of my abilities.

(5) Name three qualities that best describe you and how will these qualities benefit the Board?

I will bring commitment, honesty and high personal character to the board.

(6) Name a previous experience you've had that will be beneficial as a Board member?

I have already attended and participated in the last 2 board meetings and understand the licensure process as well as identifying and discussing the questions and concerns that are submitted to the board.

(7) Can you foresee any possible conflicts of interests that could arise during your service on the Board? How would you overcome any possible conflicts of interest?

I do not see any conflict of interest at this time and any decision or imput that I have as a board member will be in the best interest of the health of the public.
