Dear Chair Rhoads and Members of the Committee:

SUBJECT: Senate Bill No. 2420, SD 1
Relating to Criminal History Record Checks for State and County Employees

The City & County of Honolulu **strongly supports** Senate Bill 2420 as amended in SD 1. The purpose of this measure is to provide State and county agencies the ability to access national criminal history record information in addition to state conviction information for the purpose of determining the employment suitability of current and prospective employees whose job duties and responsibilities warrant the additional evaluation.

Technological advances have made it possible for individuals outside of the State to view and apply for jobs in Hawaii and we receive numerous applications from out-of-state and recently relocated candidates. It is our duty to make prudent hiring decisions regarding the suitability of the individuals who are hired for the kinds of jobs that this bill addresses. The proposed measure will give us the ability to efficiently obtain national criminal history record information for our employees and prospective employees in the specified categories of work.

Thank you for the opportunity to testify.

Sincerely,

and Commissioners of the Hawai‘i Civil Rights Commission

Re: S.B. No. 2420, S.D.1

The Hawai‘i Civil Rights Commission (HCRC) has enforcement jurisdiction over state laws prohibiting discrimination in employment, housing, public accommodations, and access to state and state-funded services. The HCRC carries out the Hawai‘i constitutional mandate that "no person shall be discriminated against in the exercise of their civil rights because of race, religion, sex or ancestry". Art. I, Sec. 5.

Section 2 of S.B. No. 2420, S.D.1 amends HRS § 846-2.7(b) by adding subsections (37), (38) and (39) to provide express authority for the conduct of criminal history record checks on 1) state and county employees, applicants, volunteers and contractors who require unescorted access to secured areas and equipment related to a traffic management center; 2) county employees and applicants whose positions involve the handling or use of firearms for other than law enforcement purposes; and, 3) county

employees and applicants involved in an agency's information technology operations who have access to proprietary, confidential or sensitive information.

Over the years, the City and County of Honolulu has sought authority to conduct criminal history background checks under § 846-2.7(b) for various categories of employees and applicants as well as exemptions from HRS § 378-2.5 for pre-offer background checks. In the past, the HCRC has expressed concerns that this would result in overly broad exceptions to the requirements and limitations imposed on employer inquiries into and consideration of conviction records.

Prior to this 2014 session, the HCRC and City and County of Honolulu Employment and Personnel Services Division staff met to discuss this bill and were able to reach agreement on amendments to the bill that would accomplish the City and County's purposes without eroding the arrest and court record protections by incorporating overly broad exception language into H.R.S. § 378-2.5(d). The HCRC and City and County of Honolulu agreed that only the second group of employees and applicants in subsection (38) (employees and prospective employees whose positions involve the handling or use of firearms for other than law enforcement purposes) should be exempt from the provisions of HRS § 378-2.5. . Section 1 of S.B. No. 2420, S.D.1 has been amended to reflect this agreement with the exemption in HRS § 378-2.5(d)(5) amended to only add employees and prospective employees whose positions involve the handling or use of firearms for other than law enforcement purposes, as listed in the proposed HRS § 846-2.7(b)(38). For these reasons, the HCRC does not oppose S.B. No. 2420, S.D. 1. Thank you for your consideration of the discussion and agreement between the City and County of Honolulu and the HCRC on this bill.

Dear Chair Rhoads and Members:

Subject: Senate Bill No. 2420, SD 1, Relating to Criminal History Record Checks for State and County Employees

I am Sean C. Naito, Major of the Communications Division of the Honolulu Police Department (HPD), City and County of Honolulu.

The HPD supports Senate Bill No. 2420, SD 1, Relating to Criminal History Record Checks for State and County Employees. This bill provides State and County agencies the ability to access national criminal information history and state conviction information for employees who will be working in the future Joint Traffic Management Center (JTMC). The clearance is needed to determine the employment suitability of current and prospective employees.

The JTMC is scheduled for completion in 2016. It will be comprised of personnel from the HPD, Department of Transportation Services, Honolulu Fire Department, and the Department of Transportation. Due to the sensitivity of information that will be discussed and accessed during daily operations within the JTMC, we feel that it is in the public's best interest to have personnel who have been subjected to both a national and state criminal history record check.

The HPD urges you to support Senate Bill No. 2420, SD 1.
