**S.B. 2730, S.D. 1
RELATING TO HIGHWAY SAFETY**

House Committee on Transportation

The Department of Transportation (DOT) **supports** this bill that would grant driver license reciprocity between Hawaii and certain foreign countries with the following amendments to be considered into this bill:

Adding a section (a) (3) in Section 1 of this bill to read, "While operating a vehicle on public roadways, the nonresident shall possess a current and valid International Driving Permit and driver's license which shall be presented to a law enforcement officer upon demand."

The DOT would also suggest a defective, effective date in Section 4. Implementation of this measure may require evaluation, drafting and holding of public hearings for administrative rules needing implementation.

Thank you for the opportunity to present testimony.
