A BILL FOR AN ACT

RELATING TO TAXATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1	SECTION 1. The legislature finds that Hawaii is extremely
2	vulnerable to soaring prices or disruptions of its energy
3	imports, which can hinder, cripple, or even devastate the
4	State's economy and the well-being of its inhabitants. As the
5	most isolated land mass on Earth, Hawaii imports nearly ninety
6	per cent of its energy needs. The legislature further finds
7	that it is critical for Hawaii to ensure greater energy security
8	by becoming more self-sufficient with its energy supply.
9	The purpose of this Act is to:
10	(1) Establish a renewable fuels production tax credit to
11	achieve greater energy security for Hawaii; and
12	(2) Repeal the ethanol facility tax credit.
13	SECTION 2. Chapter 235, Hawaii Revised Statutes, is
14	amended by adding a new section to be appropriately designated
15	and to read as follows:
16	" <u>§235-</u> Renewable fuels production tax credit. (a) Each
17	year during the credit period, there shall be allowed to each

taxpayer subject to the taxes imposed by this chapter, a SB2197 HD1 HMS 2014-2632

18

- 1 renewable fuels production tax credit that shall be applied to 2 the taxpayer's net income tax liability, if any, imposed by this 3 chapter for the taxable year in which the credit is properly 4 claimed. 5 For each taxpayer producing qualifying renewable fuels, the 6 annual dollar amount of the renewable fuels production tax credit during the credit period shall be equal to cents 7 8 per one hundred fifteen thousand British thermal units of 9 qualifying renewable fuels using the lower heating value 10 produced and sold for distribution in Hawaii; provided that the taxpayer's production of qualifying renewable fuels is not less 11 than fifteen billion British thermal units of qualifying 12 renewable fuels per year; provided further that the amount of 13 the tax credit claimed under this section by a taxpayer shall 14 per taxable year. No other tax credit may 15 not exceed \$ be claimed under this chapter for the costs related to 16 qualifying renewable fuels production that are used to properly 17 claim a tax credit under this section for the taxable year. 18 19 (b) As used in this section: "Credit period" means a maximum period of five consecutive 20 years beginning from the first taxable year in which a taxpayer 21 begins qualifying renewable fuels production at a level of at 22
 - SB2197 HD1 HMS 2014-2632

- 1 least fifteen billion British thermal units of qualifying
- 2 renewable fuels per year.
- 3 "Net income tax liability" means net income tax liability
- 4 reduced by all other credits allowed under this chapter.
- 5 "Qualifying renewable fuels" means fuels produced within
- 6 the State from renewable feedstocks; provided that the fuels
- 7 shall be sold in the State as a fuel; provided further that the
- 8 fuels meet the relevant ASTM International specifications for
- 9 the particular fuel or other industry specifications for liquid
- 10 or gaseous fuels, including but not limited to:
- 11 (1) Methanol, ethanol, or other alcohols;
- 12 (2) Hydrogen;
- 13 (3) Biodiesel or renewable diesel;
- 14 (4) Other biofuels; or
- 15 (5) Renewable jet fuel or renewable gasoline.
- 16 "Renewable feedstocks" means feedstock requiring less than
- 17 one barrel of oil, or the equivalent in derived oil-based
- 18 products, per ton of feedstock to harvest and transport prior to
- 19 processing into qualifying renewable fuels, including:
- 20 (1) Biomass crops;
- 21 (2) Agricultural residues;

1	(3)	Oil crops, including but not limited to algae, canola,
2		jatropha, palm, soybean, and sunflower;
3	(4)	Other agricultural crops;
4	(5)	Grease and waste cooking oil;
5	<u>(6)</u>	Food wastes;
6	<u>(7)</u>	Municipal solid wastes and industrial wastes;
7	(8)	Water; and
8	(9)	Animal residues and wastes,
9	that can b	oe used to generate energy.
10	(c)	The department of business, economic development, and
11	tourism sh	nall:
12	(1)	Verify the amount and type of qualifying renewable
13		fuels produced and sold, including the purpose for
14		which the fuel was produced;
15	(2)	Certify the total amount of the tax credit for each
16		taxable year and the cumulative amount of the tax
17	·	credit during the credit period; and
18	(3)	Total all qualifying renewable fuels production that
19		the department of business, economic development, and
20		tourism certifies pursuant to paragraph (2).
21	Upon each	determination, the department of business, economic
22	developmen	nt, and tourism shall issue a certificate to the
		1 0044 0520

- 1 taxpayer verifying the amount of qualifying renewable fuels
- 2 produced, the credit amount certified for each taxable year, and
- 3 the cumulative amount of the tax credit during the credit
- 4 period. The taxpayer shall file the certificate with the
- 5 taxpayer's tax return with the department of taxation.
- 6 Notwithstanding the department of business, economic
- 7 development, and tourism's certification authority under this
- 8 section, the director of taxation may audit and adjust the
- 9 certification to conform to the facts.
- 10 (d) If the credit under this section exceeds the
- 11 taxpayer's income tax liability, the excess of credit over
- 12 liability may be used as a credit against the taxpayer's income
- 13 tax liability in subsequent years until exhausted; provided that
- 14 tax credit may only be claimed during the credit period. All
- 15 claims for a credit under this section shall be properly filed
- 16 on or before the end of the twelfth month following the close of
- 17 the taxable year for which the credit may be claimed. Failure
- 18 to comply with the foregoing provision shall constitute a waiver
- 19 of the right to claim the credit.
- 20 (e) Prior to production of any qualifying renewable fuels
- 21 for the year, the taxpayer shall provide written notice of the
- 22 taxpayer's intention to begin production of qualifying renewable

- 1 fuels. The information shall be provided to the department of
- 2 taxation and the department of business, economic development,
- 3 and tourism on forms provided by the department of business,
- 4 economic development, and tourism, and shall include information
- 5 on the taxpayer, facility location, facility production
- 6 capacity, anticipated production start date, and taxpayer's
- 7 contact information. Notwithstanding any other law to the
- 8 contrary, this information shall be available for public
- 9 inspection and dissemination under chapter 92F.
- 10 (f) The taxpayer shall provide written notice to the
- 11 director of taxation and the director of business, economic
- 12 development, and tourism within thirty days following the start
- 13 of production. The notice shall include the production start
- 14 date and expected qualifying renewable fuels production for the
- 15 next twelve months. Notwithstanding any other law to the
- 16 contrary, this information shall be available for public
- 17 inspection and dissemination under chapter 92F.
- 18 (g) Each calendar year during the credit period, the
- 19 taxpayer shall provide information to the director of business,
- 20 economic development, and tourism on the number of British
- 21 thermal units of qualifying renewable fuels produced and sold
- 22 during the previous calendar year, the type of fuels produced

- 1 and sold, feedstocks used for qualifying renewable fuels
- 2 production, the number of employees of the facility and each
- 3 employee's state of residency, and the projected number of
- 4 British thermal units of qualifying renewable fuels production
- 5 for the succeeding year.
- 6 (h) In the case of a partnership, S corporation, estate,
- 7 or trust, distribution and share of the tax credit for
- 8 qualifying renewable fuels production shall be determined
- 9 pursuant to section 704(b) (with respect to partner's
- 10 distributive share) of the Internal Revenue Code.
- 11 (i) Each taxpayer claiming a credit under this section
- 12 shall complete and file with the department of business,
- 13 economic development, and tourism, through that department's
- 14 website, an annual survey on electronic forms prepared and
- 15 prescribed by the department of business, economic development,
- 16 and tourism. The annual survey shall be filed before June 30 of
- 17 each calendar year following the calendar year in which the
- 18 credit may first be claimed under this section. The department
- 19 of business, economic development, and tourism may adjust the
- 20 due date of the annual survey by rules adopted pursuant to
- 21 chapter 91.

1	<u>(j)</u>	The annual survey under subsection (i) shall include
2	the follo	owing information for the time period or periods
3	specified	d by the department of business, economic development,
4	and touri	.sm:
5	(1)	The number, location, and production capacity of
6		qualifying renewable fuels production facilities in
7		the State;
8	(2)	The total number of British thermal units of
9		qualifying renewable fuels, broken down by type of
10		fuel, produced and sold during the previous year; and
11	(3)	The projected number of British thermal units of
12		qualifying renewable fuels production for the
13		succeeding year.
14	The	department of business, economic development, and
15	tourism s	shall request information in each of these categories
16	sufficier	at to measure the effectiveness of the tax credit under
17	this sect	ion. The department of business, economic development
18	and touri	sm may request any additional information necessary to
19	measure t	the effectiveness of the tax credit.
20	(k)	The department of business, economic development, and
21	tourism s	shall use information collected under this section and
22	through i	ts other required reports or disclosures to prepare
	SB2197 HI	01 HMS 2014-2632

- 1 summary descriptive statistics by category. The information
- 2 shall be reported at the aggregate level to prevent compromising
- 3 identities of credit claimants. The department of business,
- 4 economic development, and tourism shall report the information
- 5 required under this subsection to the legislature by September 1
- 6 of each year.
- 7 (1) The director of taxation shall prepare forms that may
- 8 be necessary to claim a credit under this section. The director
- 9 of taxation may also require the taxpayer to furnish information
- 10 to ascertain the validity of the claim for credit made under
- 11 this section and may adopt rules necessary to effectuate the
- 12 purposes of this section pursuant to chapter 91.
- 13 (m) Notwithstanding subsection (b), the tax credit
- 14 established under this section shall be available for taxable
- 15 years beginning after December 31, 2014; provided that the
- 16 credit period shall begin in a taxable year beginning before
- 17 December 31, 2019."
- 18 SECTION 3. Section 235-110.3, Hawaii Revised Statutes, is
- 19 repealed.
- 20 ["\$235-110.3 Ethanol facility tax credit. (a) Each year
- 21 during the credit period, there shall be allowed to each
- 22 taxpayer subject to the taxes imposed by this chapter, an

1	ethanol fa	acility tax credit that shall be applied to the
2	taxpayer's	net income tax liability, if any, imposed by this
3	chapter fo	or the taxable year in which the credit is properly
4	claimed.	
5	For c	each qualified ethanol production facility, the annual
6	dollar amo	ount of the ethanol facility tax credit during the
7	eight year	period shall be equal to thirty per cent of its
8	nameplate	capacity if the nameplate capacity is greater than
9	five hundr	red thousand but less than fifteen million gallons. A
10	taxpayer m	may claim this credit for each qualifying ethanol
11	facility;	provided that:
12	(1)	The claim for this credit by any taxpayer of a
13		qualifying ethanol production facility shall not
14		exceed one hundred per cent of the total of all
15		investments made by the taxpayer in the qualifying
16		ethanol production facility during the credit period;
17	(2)	The qualifying ethanol production facility operated at
18		a level of production of at least seventy five per
19		cent of its nameplate capacity on an annualized basis;
20	(3)	The qualifying ethanol production facility is in
21		production on or before January 1, 2017; and

, I	(4) No taxpayer that claims the credit under this section
2	shall claim any other tax credit under this chapter
3	for the same taxable year.
4	(b) As used in this section:
5	"Credit period" means a maximum period of eight years
6	beginning from the first taxable year in which the qualifying
7	ethanol production facility begins production even if actual
8	production is not at seventy five per cent of nameplate
9	capacity.
10	"Investment" means a nonrefundable capital expenditure
11	related to the development and construction of any qualifying
12	ethanol production facility, including processing equipment,
13	waste treatment systems, pipelines, and liquid storage tanks at
14	the facility or remote locations, including expansions or
15	modifications. Capital expenditures shall be those direct and
16	certain indirect costs determined in accordance with section
17	263A of the Internal Revenue Code, relating to uniform
18	capitalization costs, but shall not include expenses for
19	compensation paid to officers of the taxpayer, pension and other
20	related costs, rent for land, the costs of repairing and
21	maintaining the equipment or facilities, training of operating
22	personnel, utility costs during construction, property taxes,
	SB2197 HD1 HMS 2014-2632

1	costs relating to negotiation of commercial agreements not
2	related to development or construction, or service costs that
3	can be identified specifically with a service department or
4	function or that directly benefit or are incurred by reason of a
5	service department or function. For the purposes of determining
6	a capital expenditure under this section, the provisions of
7	section 263A of the Internal Revenue Code shall apply as it read
8	on March 1, 2004. For purposes of this section, investment
9	excludes land costs and includes any investment for which the
10	taxpayer is at risk, as that term is used in section 465 of the
11	Internal Revenue Code (with respect to deductions limited to
12	amount at risk).
13	"Nameplate capacity" means the qualifying ethanol
14	production facility's production design capacity, in gallons of
15	motor fuel grade ethanol per year.
16	"Net income tax liability" means net income tax liability
17	reduced by all other credits allowed under this chapter.
18	"Qualifying ethanol production" means ethanol produced from
19	renewable, organic feedstocks, or waste materials, including
20	municipal solid waste. All qualifying production shall be
21	fermented, distilled, gasified, or produced by physical chemical

S.B. NO. 2197 S.D. 2 H.D. 1

1	conversion methods such as reformation and catalytic conversion
2	and dehydrated at the facility.
3	"Qualifying ethanol production facility" or "facility"
4	means a facility located in Hawaii which produces motor fuel
5	grade-ethanol meeting the minimum specifications by the American
6	Society of Testing and Materials standard D 4806, as amended.
7	(c) In the case of a taxable year in which the cumulative
8	claims for the credit by the taxpayer of a qualifying ethanol
9	production facility exceeds the cumulative investment made in
10	the qualifying ethanol production facility by the taxpayer, only
11	that portion that does not exceed the cumulative investment
12	shall be claimed and allowed.
13	(d) The department of business, economic development, and
14	tourism shall:
15	(1) Maintain records of the total amount of investment
16	made by each taxpayer in a facility;
17	(2) Verify the amount of the qualifying investment;
18	(3) Total all qualifying and cumulative investments that
19	the department of business, economic development, and
20	tourism certifies; and

1	(4) Certify the total amount of the tax tredit for each
2	taxable year and the cumulative amount of the tax
3	credit during the credit period.
4	Upon each determination, the department of business,
5	economic development, and tourism shall issue a certificate to
6	the taxpayer verifying the qualifying investment amounts, the
7	credit amount certified for each taxable year, and the
8	cumulative amount of the tax credit during the credit period.
9	The taxpayer shall file the certificate with the taxpayer's tax
10	return with the department of taxation. Notwithstanding the
11	department of business, economic development, and tourism's
12	certification authority under this section, the director of
13	taxation may audit and adjust certification to conform to the
14	facts.
15	If in any year, the annual amount of certified credits
16	reaches \$12,000,000 in the aggregate, the department of
17	business, economic development, and tourism shall immediately
18	discontinue certifying credits and notify the department of
19	taxation. In no instance shall the total amount of certified
20	credits exceed \$12,000,000 per year. Notwithstanding any other
21	law to the contrary, this information shall be available for
22	public inspection and dissemination under chapter 92F.
	SB2197 HD1 HMS 2014-2632

```
(e) If the credit under this section exceeds the
1
    taxpayer's income tax liability, the excess of credit over
2
    liability shall be refunded to the taxpayer; provided that no
3
    refunds or payments on account of the tax credit allowed by this
4
    section shall be made for amounts less than $1. All claims for
5
6
    a credit under this section must be properly filed on or before
7
    the end of the twelfth month following the close of the taxable
8
    year for which the credit may be claimed. Failure to comply
    with the foregoing provision shall constitute a waiver of the
9
10
    right to claim the credit.
         (f) If a qualifying ethanol production facility or an
11
    interest therein is acquired by a taxpayer prior to the
12
    expiration of the credit period, the credit allowable under
13
    subsection (a) for any period after such acquisition shall be
14
    equal to the credit that would have been allowable under
15
    subsection (a) to the prior taxpayer had the taxpayer not
16
    disposed of the interest. If an interest is disposed of during
17
18
    any year for which the credit is allowable under subsection (a),
    the credit shall be allowable between the parties on the basis
19
    of the number of days during the year the interest was held by
20
    each taxpayer. In no case shall the credit allowed under
21
```

1 subsection (a) be allowed after the expiration of the credit 2 period. 3 (g) Once the total nameplate capacities of qualifying 4 ethanol production facilities built within the State reaches or 5 exceeds a level of forty million gallons per year, credits under this section shall not be allowed for new ethanol production 6 7 facilities. If a new facility's production capacity would cause 8 the statewide ethanol production capacity to exceed forty 9 million gallons per year, only the ethanol production capacity that does not exceed the statewide forty million gallon per year 10 level shall be eligible for the credit. 11 (h) Prior to construction of any new qualifying ethanol 12 production facility, the taxpayer shall provide written notice 13 of the taxpayer's intention to begin construction of a 14 qualifying ethanol production facility. The information shall 15 be provided to the department of taxation and the department of 16 business, economic development, and tourism on forms provided by 17 18 the department of business, economic development, and tourism, and shall include information on the taxpayer, facility 19 location, facility production capacity, anticipated production 20 21 start date, and the taxpayer's contact information. 22 Notwithstanding any other law to the contrary, this information SB2197 HD1 HMS 2014-2632

```
shall be available for public inspection and dissemination under
1
2
    chapter 92F.
         (i) The taxpayer shall provide written notice to the
3
    director of taxation and the director of business, economic
4
5
    development, and tourism within thirty days following the start
6
    of production. The notice shall include the production start
    date and expected ethanol fuel production for the next twenty
7
    four months. Notwithstanding any other law to the contrary,
8
    this information shall be available for public inspection and
9
    dissemination under chapter 92F.
10
         (i) If a qualifying ethanol production facility fails to
11
    achieve an average annual production of at least seventy five
12
    per cent of its nameplate capacity for two consecutive years,
13
    the stated capacity of that facility may be revised by the
14
    director of business, economic development, and tourism to
15
    reflect actual production for the purposes of determining
16
    statewide production capacity under subsection (g) and allowable
17
    credits for that facility under subsection (a). Notwithstanding
18
    any other law to the contrary, this information shall be
19
    available for public inspection and dissemination under chapter
20
    92F.
21
```

S.B. NO. S.D. 2 H.D. 1

. 1	(k) Each calendar year during the credit period, the
2	taxpayer shall provide information to the director of business,
3	economic development, and tourism on the number of gallons of
4	ethanol produced and sold during the previous calendar year, how
5	much was sold in Hawaii versus overseas, feedstocks used for
6	ethanol production, the number of employees of the facility, and
7	the projected number of gallons of ethanol production for the
8	succeeding year.
9	(1) In the case of a partnership, S corporation, estate,
10	or trust, the tax credit allowable is for every qualifying
11	ethanol production facility. The cost upon which the tax credit
12	is computed shall be determined at the entity level.
13	Distribution and share of credit shall be determined pursuant to
14	section 235-110.7(a).
15	(m) Following each year in which a credit under this
16	section has been claimed, the director of business, economic
17	development, and tourism shall submit a written report to the
18	governor and legislature regarding the production and sale of
19	ethanol. The report shall include:
20	(1) The number, location, and nameplate capacities of
21	qualifying ethanol production facilities in the State;

1	(2) The total number of gallons of ethanol produced and
2	sold during the previous year; and
3	(3) The projected number of gallons of ethanol production
4	for the succeeding year.
5	(n) The director of taxation shall prepare forms that may
6	be necessary to claim a credit under this section.
7	Notwithstanding the department of business, economic
8	development, and tourism's certification authority under this
9	section, the director may audit and adjust certification to
10	conform to the facts. The director may also require the
11	taxpayer to furnish information to ascertain the validity of the
12	claim for credit made under this section and may adopt rules
13	necessary to effectuate the purposes of this section pursuant to
14	chapter 91."]
15	SECTION 4. If any provision of this Act, or the
16	application thereof to any person or circumstance, is held
17	invalid, the invalidity does not affect other provisions or
18	applications of the Act that can be given effect without the
19	invalid provision or application, and to this end the provisions
20	of this Act are severable.
21	SECTION 5. Statutory material to be repealed is bracketed
22	and stricken. New statutory material is underscored.

- 1 SECTION 6. This Act shall take effect on July 1, 2050, and
- 2 apply to taxable years beginning after December 31, 2014.

Report Title:

Income Tax Credit; Renewable Fuels

Description:

Establishes a renewable fuels production income tax credit. Repeals the ethanol facility tax credit. Effective July 1, 2050. (SB2197 HD1)

The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.
