"Mr. Speaker, in support. I don't think anybody is more deserving than Danny Kaleikini to receive the Aloha Order of Merit. He has literally lived his life for *aloha*. S.C.R. No. 51, Requesting the Administration of the Youth Risk Behavior Survey to Students in Grades Six to Twelve in Select Schools.

Representative Belatti: "Thank you, Mr. Speaker. Just a quick announcement. The Women's Legislative Caucus Easter Basket donation drive for IHS is this Thursday. I just want to remind folks that they can drop off their baskets in my office, or on Thursday to come down to the Chamber level from 2 to 3 p.m. Legislators are off the hook this year, and we have a very special someone who will be our Easter Bunny. So, picture taking with the Easter Bunny will be from 2 to 2:15. Come on down and join us then. Thank you."

Representative Awana: "Thank you, Mr. Speaker. I'd like to take this opportunity to thank Representative Ward for his hard work and effort in the sister state signing ceremony between Bali and Hawaii. Although I was the Chair of International Affairs there when we did pass the resolution, it didn't go without the hard work and continued effort from Representative Ward, which was yesterday afternoon, started with a signing ceremony in the Governor's Chambers and then followed with a reception program on the grounds of the Iolani Palace.

"Special mention to the Hawaii Indonesia Chamber of Commerce. I know that Representative Ward encouraged the continued work for the past three years. Members, if we can just take a minute to thank him for his hard work and effort. Thank you, Mr. Speaker."

Representative Ward: "Mr. Speaker, it's not the Hawaiian or the Indonesian thing to soak up all the credit for what took three years. We call it a courtship in marriage that after three years took place. But it's Representative Awana who got the ball rolling, Ronny Adhikarya, who I introduced earlier, who from Los Angeles and Jakarta got things rolling. Grateful to Representative Hanohano for coming yesterday, gracing us with her presence. We also had Representative Hashem and Senator Espero who showed up, and I'm thinking of others.

"Representative Cachola gave us the hardest time to get this Indonesian thing passed. He was the head, when he was a Councilman with the City & County of Honolulu, he was the head of the Sister State Commission. Which by the way, if you're doing any of these, he's no longer on the commission, so your sister state may go through easier. But it's where that was of, and with gratitude, but I talked to, and I don't want to belabor this, but I talked to the Honorary Consul from Morocco who put \$1.4 million into the fountain in front of DBEDT, and he said, 'you think the Indonesians had a problem, the Moroccans had a bigger problem with Representative Cachola.' So Romy, you did a good job.

"The point is, Mr. Speaker, this is the beginning of a beautiful relationship between the two most beautiful places in the world, Bali and Hawaii. And it's going to keep us really on target, because sometimes when people succeed they get a little slack, and what we've got is like two good tennis players. You always play with somebody better than you so you can be better, and that's the beginning of this relationship as of yesterday. So thank you, Mr. Speaker, and thank all of you for being a part of that. Thank you."

Representative Cachola: "Mr. Speaker, I hope the Representative from Hawaii Kai, even though he recognized me as one of the key reasons why the sister state province relationship between the State of Hawaii and Bali came into fruition or done, is because, and it took about three years, is because we approved it and something came up. Correct? And so we asked questions whether or not they already have corrected the problem. So they presented another resolution and so I asked some questions that we should at least do, and I was satisfied with what they presented and I recommended that the sister state province relationship between Hawaii and Bali should be given recognition and approval. So that's my contribution to the sister state province relationship. Thank you, Representative Ward. Thank you."

Representative Ward: "Mr. Speaker, I would be amiss, but I don't want to offend Representative Cabanilla because she spoke for Speaker Souki yesterday on his behalf because he had a lot of meetings. So Representative Cabanilla, for speaking on your behalf Mr. Speaker, she did a good job."
