Your Committee notes that Mr. Lau has been President of Real Estate Specialists, LLC, since 2009. Prior to that position, he served as the President and owner of InkScream Inc. Mr. Lau has also been an active member in the community, including serving on the Board of Directors of the High Technology Development Corporation and the Board of Directors of HiCentralMLS, Ltd, as well as a member of the Hawaii Association of REALTORS. These experiences will enhance the effectiveness of the Board.

Your Committee notes that Mr. Delse is the President of TeamPraxis and has previously served as the Director of Product Management, Search, with Yahoo! Inc. Mr. Delse is also an active member in his community, including serving as a judge for the Hawaii High School Business Plan Competition and sponsor for the 'Olelo Student Video Competition. Your Committee finds that Mr. Delse has a thorough understanding of the role and responsibilities of Board members, and his perspective as a leader in the technology industry of Oahu will enhance the effectiveness of the Board.

Your Committee finds that Mr. Delse's background, experience, and proven leadership on the Board of Directors of the High Technology Development Corporation qualify him for appointment to the Board.

RACE A. RANDLE

Your Committee received testimony in support of the nomination of Race A. Randle from the High Technology Development Corporation and one individual.

Mr. Randle is currently serving as the Vice President of Development with the Howard Hughes Corporation and has previously served with Forest City Enterprises and Castle & Cooke Hawaii. Your Committee notes that Mr. Randle has been the Vice Chair of the Board of Directors of the High Technology Development Corporation since 2011.

Your Committee finds that Mr. Randle's background, experience, and proven leadership on the Board of Directors of the High Technology Development Corporation qualify him for reappointment to the Board.

As affirmed by the records of votes of the members of your Committee on Economic Development and Technology that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which
