

Board of Acupuncture

To Whom It May Concern:

This is a brief resume of Laura Chock who is applying to be a member at large on the Board of Acupuncture.

I have been an appointed volunteer to the different Boards of Commissions on the state and local county levels since 1970 when I was first appointed to serve on the Hawaii County Water Department as a member, vice chairman then chairman 1970-75, 1985-90.

Thereafter from 1980-2014 I've served on various Boards as a public member representing the Big Island...I've served on the State Board of Optician, Optometry, Vocational Rehab, Speech Pathology, Audiology, and Massage Therapy.

I have also served on the Hawaii County Mass Transit, Pension, Hilo Downtown Improvement Association, and the Hilo Downtown Revitalization. I am also an education member with: NEA, HEA, HSTA, NRTA, and HIRTA. Elected into Prominent People of Hawaii 1988, the National Register's Who's Who in Executives and Professionals.

I retired from the DOE as a Beginning Teacher Supervisor. My EDM was in Admin/Supervision. I continued to take post grad courses throughout my teaching career.

I have thoroughly enjoyed serving on the different Boards gaining more knowledge and insight with my limitless questions as a lay person. Your consideration in appointing me to the Acupuncture Board will be greatly appreciated.

Sincerely,

*Laura Chock*
