Intent

- To be a public member of The Board of Naturopathic Medicine.

Summary

- I am a daughter, a sister, a wife to Brian for 7 years, and a mother to Brenden (4) & Hailey (2), a regular seeker of Chiropractic adjustments, in the past I've sought Acupuncture treatment, and I've also sought treatment from a Naturopathic doctor for myself and for my son. I prefer the holistic approach versus the western medicine approach to healthcare.
