Up to present

2005 Became a full time primary caregiver to my son who was once only a MOMR and CP Child but worsened condition to a dual and triple disorders.

I am his primary Legal Guardian with the co-guardianship of my son's father, Jesse Hegwood, and Kristian Lei Hegwood.

2008 Started to organize events for the benefit of community members and in the past 4 years, creating fundraisers for the Respite of Family Caregivers. I saw the need for the increased quality of care that can be provided by healthy caregivers.
