ADDITIONAL INFORMATION

- On October 31, 2009, I retired as the Legislative Liaison of the Plumbers and Fitters Union Local 675. Although I am not a member of the Union, it was a privilege to represent Local 675 in the state and county legislatures for over 15 years. It would be a privilege to serve as a Board member.
- I am confident that I can serve fairly, honestly and with great appreciation for what our elected representatives before us have done to establish Chapter 448E that ensures the safety and welfare of the citizens of this great State.
- For over 15 years, I have become familiar with Chapter 448E and participated in many hearings and meetings to help support and defend the rules and procedures of the law. I have also come to appreciate the work that members of the Professional and Vocational Licensing Division do, in particular, Executive Officer, Charlene Tamanaha and her staff.
- As a public member of the board, I am confident of my abilities to help ensure the health, safety and welfare of the people of Hawaii.
