

John D. Jakubczak

PROFILE SUMMARY

A 27-year police veteran of the Maui County Police Department currently assigned as the Assistant Chief of the Maui Police Department's Support Services Bureau.

Graduated from Baldwin High School in Wailuku in 1983 and enlisted in the U. S. Army after graduation. After being honorably discharged from the U.S. Army in 1986, I began my police career as a member of the Maui County Police Department's 36th Recruit Class in 1987.

During my career, I spent 16 years in the Criminal Investigation Division, first as a detective and then later as a supervisor of property crimes and, eventually, supervisor of crimes against persons.

I am a trained fire/arson investigator and homicide/death investigator. I am an instructor in Arrest Defense Tactics (ADT), including the Monadnock Baton, Pepper Spray and Taser. I am also a Weapons of Mass Destruction Radiological/Nuclear Awareness Instructor and one of four people in the State of Hawaii who is a Trainer for the Sudden Unexplained Infant Death (SUID) Investigations. I am also a member of the Maui Incident Management Team (All Hazards Type 3) who may be called upon to respond to disasters (natural/man-made) across the nation and assist the local agencies to manage their crisis.

I have represented the Maui Police Department by testifying before the Maui County Council on various issues that affect the community and by giving press conferences and media releases regarding "high profile" investigations.

PROFESSIONAL EXPERIENCE

Assistant Chief of Police – Support Services Bureau

Maui County Police Department
55 Mahalani Street
Wailuku, HI 96793
December 16, 2014 to present

Duties: Plans, organizes and coordinates the activities of the Support Services Bureau consisting of the Plans & Training Section, Communications Section, Community Relations Section, Technical Services Unit and the Technical Services Division (Records and ID, Motorpool, Radio Shop); and manages and directs Capital Improvement Projects for the Department.

Implements and monitors the goals and objectives of the Support Services Bureau, analyzing and evaluating the effectiveness of the goals and objectives, and modifying, changing, or developing new ones in achieving the department's overall mission of providing acceptable police service to the community. Monitors and evaluates fiscal expenditures of the Support Services Bureau as it relates to fiscal responsibility and overall operational effectiveness. Analyzes, develops, prepares and submits a detailed a fiscal budget which addresses operating expenses of the Support Services Bureau.

Plans, directs, controls, inspects and evaluates the overall duties and responsibilities of the different sections of the Support Services Bureau. Provides supervision, guidance and direction to subordinates; evaluates and documents their work performance.

Analyzes, develops, manages capital improvement projects in conjunction with the other County Departments; monitors, oversees, and documents fiscal expenditures; and inspects and evaluates project acceptance when completed.

Monitors the passage of new laws, analyzes and evaluates the impact of new laws on the rendering of police service, and develops and formulates procedural changes if required. Evaluates, develops and formulates new laws or changes to current laws to enhance or facilitate the rendering of effective and efficient police service. May perform the duties and responsibilities of the Chief of Police during his absence.
