

Resume for Calvin L. Hutton

Current Position: Vice President and General Manager of the Ceridian Hawaii District.

Objective: Desire appointment to the Hawaii Health Connector Board of Directors

Business Experience:

1. Experienced business manager in Hawaii for the past 35 years.
2. Successful sales and management work experience with IBM, Control Data, and Ceridian in Hawaii marketplace.
3. Trained in IT concepts, Accounting, Payroll, Human Resources, COBRA compliance and Benefit Management.
4. Developed a profitable growing local customer base expanding from 12 to over 3000 companies during my business career.
5. Have achieved more national sales and annual profit goals than any other manager in the company throughout the country.
6. Have negotiated the acquisition of six local business units or asset bases to expand Ceridian market share in Hawaii.
7. Have developed and supported 14 channel marketing agreements with local financial institutions, insurance companies and other major third parties in the Hawaii marketplace.
8. Have worked with over 10,000 Hawaii companies over the years with the highest level of customer satisfaction in the company. I have a virtually perfect record of no

complaints or legal action against our company or business practices on record in the state since establishing operations here in 1965.

Civic Experience:

1. Past membership on the State task force for the establishment of the Hawaii Health Connector, the state Health Insurance Exchange required by the federal Patient Protection and Affordable Care Act passed by the Obama Administration. Continue to attend all interim board meeting representing the interests of more than 2500 business employer groups in the Hawaii marketplace.
2. Past member of the Honolulu City and County Real Property Tax Assessment Board of Review under the Jeremy Harris Administration.

Military:

1. I am currently retired from naval service with the rank of Commander after 26 years of combined active and reserve service.
2. Duty assignments in areas of Naval Intelligence, Cryptology Specializations, Special Intelligence Communications and IT operations. Duty stations in Hawaii, Alaska, Japan and temporary duty aboard various afloat units.

Education:

1. Rutgers University undergraduate degree specializing in economics and business administration.
2. Central Michigan University masters degree specializing in business management.
3. Sales and technical courses provided by IBM Control Data and Ceridian.

Personal:

1. [REDACTED]
2. [REDACTED]

3. Have held national military security clearances at the highest special intelligence levels for over 25 years.
