G.M. 711

**Submitting for consideration and confirmation to the Medical Advisory Board,
Gubernatorial Nominee, JOHN CORBOY, MD, for a term to expire 6-30-2018.**

Senate Committee on Transportation

The Department of Transportation (DOT) **strongly supports** Governor's Message 711.

Dr. John Corboy is a former staff ophthalmologist at the Kaiser Permanente Medical Group; the Surgeon/Director of the Hawaiian Eye Center; and the Director of the Hawaiian Eye Surgicenter (private practice). He is currently the president of the Hawaiian Eye Foundation.

The Medical Advisory Board (MAB) is in need of an ophthalmologist, so Dr. Corboy's expertise will be very helpful.

Section 286-4.1, Hawaii Revised Statutes, provides for the establishment of a MAB within the State department of transportation. The purpose of the MAB is to review the medical records of persons who an examiner of drivers has reason to believe have a mental or physical condition that might impair their driving ability.

The Department of Transportation respectfully requests that this Committee confirm Dr. Corboy to the MAB.

Thank you for the opportunity to provide testimony.
