THE SENATE
THE TWENTY-EIGHTH LEGISLATURE
REGULAR SESSION OF 2015

COMMITTEE ON WATER & LAND
Senator Laura H Thielen, Chair

3/25/2015
Rm. 224, 2:50 PM

HB 1099, HD 2
Relating to Outdoor Advertising

Chair Thielen and Members of this Committee, my name is Max Sword, here on behalf of Outrigger Hotels & Resorts in support to HB 1099.

Currently the scoreboard is in a dilapidated state of repair and was in such a bad state that last season, the University women's soccer team used a clock from the water polo program. Getting a new and updated scoreboard will also help enhance the image of a beautiful soccer venue.

As a major supporter of the University of Hawaii men & women's sports program, Outrigger is in full support of any effort that will help the University's sports program.

This bill will allow for the timely replacement of the scoreboard at the Waipio Soccer Park Stadium in time for the upcoming University of Hawaii women's soccer season. The Wahine's season starts on the third week in August against Stanford & University of Southern California.

We urge your passage of this bill and urge that if it is to pass that the effective date of the measure be upon signature of the Governor.

On behalf of the soccer community, mahalo for considering this bill and allowing me to testify.

Comments: I oppose outdoor advertising. We are lucky in Hawaii because we have a law that prohibits ugly advertising such as billboards and sign. We do not need outdoor advertising. There are other ways to advertise without destroying the beauty of our aina. Mahalo, Ronnie Perry
