**RE: Written Testimony in Support of Nancy Walch for the
Small Business Regulatory Review Board**

Dear Senator Glenn Wakai,

I am writing this letter in support of Ms. Nancy Walch for a seat on the Small Business Regulatory Review Board. I have known Nancy for over 30 years and have worked with her on various health and community projects. I endorse her because she is hard-working, honest and is an experienced business woman.

Nancy is by far the most hard-working and caring business nurse. She devotes her time to caring for those who are disabled and ill. She ensures that people are properly cared for and receive the respect and dignity that each of us deserve. She is very passionate about providing "person centered care".

Nancy is also honest and will strive to hold businesses to the highest ethical standard. She will be fair, consistent and objective and listen to all sides of each debate. You can trust that Nancy will take her responsibilities seriously and will serve the people of Hawaii with great appreciation for this honor.

Please vote in favor of Ms. Nancy Walch for a seat on the Small business Regulatory Review Board. Her business ethics will be an asset to the Review Board. I can be reached at dnakayama@palolohome.org or at 808-392-1136 if you have any questions or concerns.

Sincerely Yours,

Darlene H. Nakayama, RN, NHA
